**We are all looking forward to Summerlea's Got Talent this week!**

Nicola Moore – Clerk to the Governing Body

Hi. I am Nicola Moore and I am Clerk to the Governing Body. I have been the Clerk for 2 years now and before that I was a Staff Governor. I am also the Personal Assistant for Mr Ball and Mrs Morris and have been working at Summerlea since June 2011. Previously, I worked at another school in Worthing for over 6 years. I have a 17 year old daughter called Eden and a 15 year old son called Declan, as well as a Westie dog called Hamish who is now 10. People may remember Hamish from his debut performance in the Year 6 production of the Wizard of Oz. I spend a great deal of my time at weekends walking Hamish over the South Downs or along the beach. Also, I have a passion for live bands and music festivals. I think that I can sing but I've been told I can't! I really love working with all the pupils, staff, governors and parents at Summerlea and feel very privileged to be part of the 'Summerlea family' as it truly is a great place to be.

Networked Learning Communities

Due to a change in legislation with regards to the School Food Plan all parents are now entitled to be able to purchase milk for their children.

The school has registered with Cool Milk for children in Years 3 to 6. If you wish to arrange the purchase of milk please go to [www.coolmilk.com](http://www.coolmilk.com) and register, alternatively a leaflet is being sent home with children in Years 3 to 6 for registration.

If you register your child for milk they will need to come up to the office to collect it at break time.

For children in EYFS to Year 2 their milk is provided via the Universal Free School Meals Program, so if your child has a hot lunch in school they get their milk provided free of charge.

#### Universal Free School Meals

The Universal Free School Meals system is now working extremely well. If your child is in Reception, Year 1 or Year 2 they are entitled to a Universal Free School Meal. Please do encourage them to try having a hot meal at school - you don't need to register but menus are available to view on the Chartwell's website. Just visit [www.mealselector.co.uk](http://www.mealselector.co.uk)

Hopefully, you will have read the recent letter about head lice. We have become aware of an increase in the number of children who have head lice.

As a school we understand how frustrating this can be. In order to eradicate head lice, we rely on all families regularly checking and treating their child's hair, as well as following suggestions for trying to reduce their spread.

Tying long hair back and using the Bug Busting method are proven to be effective in dealing with problems of head lice.

If you need any further advice we recommend the following websites:

Thank you for your cooperation and support.

#### No cycling on footpaths!

Another reminder that bicycles and scooters etc. must not be ridden on the school premises. We are in the process of getting some new signs made to remind people of this.

#### Our Golden Rules

- ★ We treat other people with respect.
- ★ We look after our school.
- ★ We are kind, polite and well mannered.
- ★ We set a good example to everyone.
