## NEWSLETTER 3: 5 October 2015

**Our Performing Arts Themed Week has been postponed until later in the academic year – watch this space for a new date once we have been given one!**

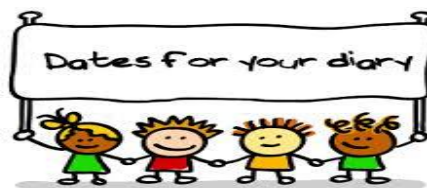

### Welcome to Bev Crowter – new governor

Having moved to Rustington in 2013, I wanted to be able to serve the community and was invited to become part of the governing body at Summerlea. I have 17+ years teaching experience and have been a class teacher, senior leader and teacher governor in a Brighton school until I retired in February. I am passionate about all aspects of teaching and learning and have a keen interest in maths, literacy and SEND.

I enjoy golf, growing my own fruit and veg, baking and arts and crafts of all kinds. My husband and I have been married for 36 years, have three grown up sons and a wonderful granddaughter of 1 year who keeps us on our toes!

I look forward to serving your community school along with Mrs Morris, her dedicated team and other governors over the next few years.

*Bev Crowter*

### **Universal Infant Free School Meals Petition**

As you may be aware there have been a lot of press reports recently about the future of Universal Infant Free School Meals (UIFSM). The provision is being looked at as part of the Government's spending review this autumn. Current UIFSM funding runs until July 2016. The Lead Association for Catering in Education (LACA) have created a UK Government and Parliament petition to call on the Government to retain UIFSM. If you feel UIFSM should be continued then you may like to sign the petition by visiting <https://petition.parliament.uk/petitions/107913>

### **Goodbye and thank you Mrs Dyke!**

In assembly last Friday all of the children and staff said a fond farewell to Mrs Dyke. She was presented with a giant garden gnome (Mrs Dyke collects them!), a lovely bouquet of flowers and numerous handmade cards from the different year groups and classes. Mrs Dyke has worked at Summerlea School for thirteen years and will be greatly missed. She has now finished as Senior Midday Meals Supervisor but has kindly agreed to continue as Deputy Manager at After School Care Club until half-term. I'd like to take this opportunity to say a huge thank you to Mrs Dyke for everything she has done for our school over the years and wish her every success in her new job.

WE WILL MISS YOU

### **Cool Christmas cards!**

The Christmas card templates have now been distributed to children so they can design their very own Christmas cards! These are great to give to family and friends, as they are so personal and individual. Templates need to be returned to school no later than Monday 12<sup>th</sup> October. Please remember to use felt-tip pens on the designs as these stand out best. We look forward to seeing your wonderful creations! Thank you for your support.

### **Staff car park – reminder**

A polite reminder please to not drop off, pick up or park in the staff car park unless you are a disabled badge holder. You will be asked to vacate the car park if you are not displaying a disabled badge. Thank you for your cooperation.

### Coats

Please ensure your child brings a coat to school everyday or has one in school on their peg. As we know, the British weather can be very unpredictable! We do like the children to go outside to play whatever the weather (apart from in the case of extreme conditions) and children also often engage in outdoor learning activities throughout the day, as part of our exciting curriculum. Now that autumn is here it is cooler and we want the children to remain warm and dry when outside. Thank you for your support.

### We are a Healthy School!

Please remember that as a healthy school we encourage healthy eating. The children in Early Years and Key Stage 1 get a free healthy snack everyday. All children may bring in a healthy snack to have at break time e.g. a piece of fruit, raisins, a cream cracker, cheese string etc. Please do not send in crisps, chocolate bars or sweets as snacks and please also remember not to send in products containing nuts. Thank you.

### Change of date

Hopefully you have all received the letter sent home last week informing you about the change of date to our Assessment Information Meeting for parents. It will now be held on Thursday 5<sup>th</sup> November. We hope as many of you as possible will be able to join us. Please return the reply slip as soon as possible to confirm your attendance. Spare letters are available from the letter stands in the main entrance.

Headteacher:

### After School Care Club

Please can parents using After School Care Club text the mobile number (07981 350306) before 3pm if home time arrangements are not the norm. We are receiving lots of very late messages and we need to resolve this for the safety of the children. Thank you.

### Children in Need Friday 13<sup>th</sup> November

We will be supporting this charity once again this year and will have merchandise on sale (teddies, wrist bands, key rings and pudsy ears) from Monday 9<sup>th</sup> November after school. We have placed a large order so hopefully we won't run out of stock! Thank you in advance for your support. More information about Children in Need day will follow shortly.

### Key Stage 2 playtime games

Children in Key Stage 2 are currently permitted to bring in small items to 'play' with at break times and lunchtimes such as sticker books and loom bands. However, it is important to remember that they bring things in at their own risk and that we cannot take responsibility for any items that get lost or damaged. Children are not allowed to bring in precious or electrical items such as handheld computer games and all items should be clearly named and fit in their drawer. We have reminded the children of this in class and would be grateful if you would reinforce this message at home.

### Names in clothes

Please ensure all items of your child's clothing are clearly named. If you find an item of clothing in your child's possession that has someone else's name in it, or it does not belong to them, please drop it off at the office so that we can try to reunite it with its rightful owner. Thank you for your help.

**The 100-word challenge is back!**

**Week beginning: 21<sup>st</sup> September**

***NB Reception children will begin joining in with the 100-word challenge later in the year.***

### **Time to read and reflect**

We hope you have enjoyed reading these pieces of writing. It would be lovely if you could spend some time sharing and discussing them with your child. Below are some suggestions of things you could think and talk about together.

Ash class have got as far as P in their list. Can you continue it keeping on the same theme of advice - all about school?

Maya and Ilana have used alliteration (where words begin with the same sound) several times in their list. Can you find some examples of this? Can you think of any others?

## 'THE SPORT CO-ORDINATOR'

I hope that you had a active and yet relaxing summer and are now 'fully charged' for the term and year ahead !

Last year was the most successful year to date for our Littlehampton Area Sports Partnership [LASP ]. There was a significant increase in the following:

- The number of opportunities for children to access school sports clubs.
- Numbers competing at LASP events.
- Numbers of children involved in sports leadership roles.
- LASP success at Southern Area Partnership events.
- LASP success at County Competitions.
- School Games Kite-mark - LASP have 5 Gold and 5 Silver awards.

It will be difficult to top our 2014/15 successes and I can only hope that this year's opportunities will bring lots of fun, enjoyment and motivate each child to get involved with even more physical activity. Indeed there is lots to look forward too with the forthcoming Rugby World Cup, the 2016 Olympic/Paralympic Games and of course our very special LASP events.

I sincerely believe that the 'top draw' LASP PE Co-ordinators has helped 'Inspire the next generation'. As we enter another Olympic year , I am positive that as a team we will ensure that this LONDON 2012 Legacy continues.

I look forward to working alongside the LASP team to help provide as many PE & School Sporting opportunities as possible for the children within LASP.

Sandy Fell [LASP LOCALITY LEAD]

### LYMINSTER 2015 LEGACY LEAGUE CHAMPIONS

Massive congratulations to Miss Donnelly and Mrs Rusbridge and their army of talented sports girls and boys who after 30 events clinched the LASP LEGACY LEAGUE TROPHY. The photos above show just a few of the competitors at events. Regardless of whether they came 1st or last they have all contributed points towards the final winning total. This is the first time Lyminster have won the trophy - a tremendous result—WELL DONE !

Three LASP schools had battled through and achieved top places at Southern Area Partnership finals and gained the honour of representing SAP at the prestigious SUSSEX SCHOOL GAMES in July. The event has been likened to the Olympic Games with opening and closing ceremonies and a whole arena of top class players competing in various sports.

There are 68 primary schools within the Southern Area so schools were justifiably proud of going to the K2 to represent the partnership. They now were competing against the top sides from the whole of the County.

All sides had a fantastic day and did themselves, their schools, and LASP proud. St Philip's battled hard with their hockey sticks and came 7th. Lyminster vaulted well and cartwheeled to a SILVER Medal and golfers from Summerlea came up to scratch on the day and took GOLD. Tremendous results when one considers that there are over 500 primary schools.

## LASP LEGACY LEAGUE POINT SYSTEM CHANGE

The change has occurred as the LASP PE Coordinators want to place a greater emphasis on 'participation'. 5 points will therefore be awarded to every school which enters a festival or competition. Positional points awarded will depend on number of teams. E.g. if 7 teams enter the winning side will get 7 points [ not 14 as was the case] and so on until the team which comes 7th, who will get 1 positional point. Extra points will still be awarded depending on school size. It is hoped that this system will create an even greater level of participation and in addition lead to an even more exciting finish in July 2016. The LASP website [www.laspinspires.co.uk](http://www.laspinspires.co.uk) will show up to date positions from October half term.

## INCLUSION EVENTS

LASP aims to provide sporting opportunities for all children. Last term a number of LASP children participated in festivals and tournaments aimed specifically at youngsters with some learning, sensory and or physical difficulties. During the summer term youngsters from LASP schools participated in a KS1 Sports Festival and competed in Golf, Tennis and Cricket events.

## COUNTY RUGBY FINALS

Two of our LASP schools progressed through to the County Tag Rugby championships. Rustington, the best Y5/6 side in the Southern Area Partnership travelled alongside St Marys [best emerging small school in SAP] to compete in the County finals. All players made significant progress in skills and tactics and showed fantastic teamwork during the competition which was a most enjoyable and brilliant experience for all. Despite not 'medalling' they did LASP proud; Mr Bylett and Mr Matthews are chuffed that their squads did so well. Rustington 7th in County and St Marys 5th best small school in County. Well done.
