NEWSLETTER 13: 21 March 2016

Yesterday was the spring equinox. EYFS and Key Stage 1 spring assemblies celebrated this special time of year last week and we are having a whole school Easter celebration day tomorrow. We wish you all a Happy Easter.

Fantastic Fundraising!

Last week there were two fantastic fundraising events at school. The first was the FOSS Easter fundraiser, which took the form of a treasure hunt! Thank you to everyone who supported this – it was a lovely bright and sunny afternoon and there was a great atmosphere all around the outside grounds of the school, as children and their families searched high and low to solve the clues and find letters to finally spell out 'Easter Bunny' and Easter Treats! Everyone who took part got a small egg for completing the trail and was entered into the prize draw to win a larger egg. There was also the opportunity to guess how many eggs were in the basket. Congratulations to the overall winners, who were announced in assembly on Friday. This fun event raised £169.00. Thank you very much for your support and thank you to FOSS for organising this fundraiser and helping on the day. On Friday we celebrated Sport Relief and invited children and staff to come to school dressed in sporty attire! The day was launched with a whole school assembly and then the children were able to choose to participate in a range of sporting activities around the school, devised by the Healthy Army and led by teachers and our sports crew. We raised £449.73 for this charity. Thank you for your generous donations and to Miss Camble and Miss Lentz for facilitating the day.

Match Attax

For any of you not 'in the know', Match Attax are football trading cards that have been a bit of a craze this term. Children in Key Stage 2 have been permitted to bring these cards into school and have them on the playground, as well as in a swapping card lunchtime club. Unfortunately, more recently, there have been numerous issues surrounding these Match Attax where cards and collections have been lost or taken. Some children also struggle to fully understand the concept of trading and often, having swapped them, want their cards back; this can cause great upset to all parties involved. As such, we have decided that we will no longer allow Match Attax cards (or any other trading cards) in school as from after the Easter holidays. If a child is found to have cards on them they will be taken in and returned to them at the end of the school day. We will be talking to the children about this in assembly and hopefully they will continue to enjoy their cards outside of school in their recreation time.

Social Media

This is a gentle reminder that if you have a concern about something, airing this on Facebook will rarely help and will in fact, in all likelihood, make it worse. If there is an issue that is important to you and it is school-related then please come and talk to us and we will do everything we can to work with you to resolve it. Thank you.

School Angel

A reminder that we are now registered with School Angel – a charity that will help us raise money for our school through online shopping. School Angel is really easy to use and our school has its own charity page already set up which you can visit using this link: <http://www.schoolangel.org.uk/summerlea-community-primary-school.html> You can also visit via our own school website, where we have set up an icon called 'School Angel' which can be found under: Our School > Fundraising > School Angel. So, next time you want to do some online shopping please do so via School Angel. Thank you!

Polling Day update

We are pleased to be able to inform you that we **will** be open as usual on June 23rd. Our school hall is being used as a Polling Station and this will unfortunately mean there will be no hot lunches served on this day. Instead, Chartwells will provide packed lunches for all EYFS and Key Stage 1 children as well as those in receipt of Free School Meals in Key Stage 2. Obviously, the children's safety is our priority and as the school will be 'zoned' there will be some minor disruption to parents. We will write to you nearer the time with more details regarding pick up and drop off arrangements etc. as the Key Stage 1 playground will be out of bounds that day. Thank you in advance for your support and understanding.

School Uniform Update

Due to a range of unforeseen circumstances, the School Uniform Working Party (formed by the governing body earlier this academic year) have been unable to pursue the research stage of the review process as quickly as they would have liked. They very much hope that next term they will be able to give more momentum to this project. In the meantime, Uniforms Direct will remain our supplier of logoed items and non-logoed items can be purchased from anywhere. Used uniform sales continue to be held monthly. Thank you for your patience.

Year 5 Project

Year 5 children are involved in an exciting enterprise project, whereby they are creating a local tourism guide for children, along with other schools in our locality. You can visit their blog at www.explorerestandplay.blog.com
