School Keep Clear 2017 Programme - East and West Arun Schools

As part of our work with West Sussex County Council to support safe and sustainable travel to school, you will have noticed some changes to the road markings outside local schools.

Our School Keep Clear markings are now enforceable and we need your support in keeping this area car free. The school gate area is frequently highlighted as an area of concern for both pupils and parents so please support the whole school community by ensuring if you drive to school to park in a safe and considerate way away from the school gate.

We would like to take this opportunity to remind you that these improvements are designed to protect the safety of our families and serve to reinforce a valuable road safety message that our children can learn. The school cannot do anything for parents who receive a ticket if parking illegally. We rely on your compliance to respect these areas as 'car free' to help improve visibility and safety for pedestrians and cyclists. If you have a concern about safe travel to school or this improvement, please do contact the school office or our WSCC travel advisor Pene Mather at pene.mather@westsussex.gov.uk

In relation to this, there was another very near miss at the end of last week, during morning drop off, which involved a parent reversing and almost knocking over a child. Please be responsible and vigilant as the safety of our children is paramount. A polite reminder also, to please not park in the staff car park unless you are a disabled badge holder, or there are exceptional circumstances agreed by the headteacher.

Booking a holiday?

Dark evenings and cold weather - thinking about booking a holiday? Why not raise money for the school whilst you book? As you will have read in previous newsletters, we are registered with School Angel – a charity that helps us raise money for our school through online shopping.

An amazing £199.67 has already been raised!

Examples of online shopping sites that can be used through School Angel for holidays are **lastminute.com, Premier Inn, Late Room.com Thomson, Thomas Cook, Expedia, Butlins, Travel Lodge, British Airways and P & O Cruises** and many, many more! School Angel is really easy to use and our school has its own charity page, which you can visit, using this link: <http://www.schoolangel.org.uk/summerlea-community-primary-school.html>

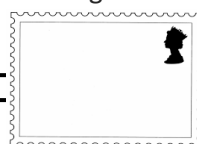

You can also visit via our own school website, where we have an icon set up called 'School Angel' which can be found under: Our School > Fundraising > School Angel.

Happy holiday booking and please book via School Angel! Thank you for your continued support.

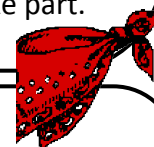

Mobile phone reminder

A reminder to all Year 5 parents and carers that if your child brings a mobile phone to school this should be brought straight up to the office at the start of the school day and signed in. There is also an agreement form to complete and sign. Thank you for your co-operation.

Royal Mail's Christmas Stamp Design Competition 2017

Will your child be the designer of one of the 2017 Christmas Stamps? Please encourage them to enter Royal Mail's Christmas stamp design competition now! Please find the official entry form attached or collect a copy from the school office. Mrs McConnochie (Art and Design Coordinator) will be submitting entries on behalf of the school and kindly requests these are returned to her **no later than Monday 13th March**. We are hoping children from across the school will take part.

Bandanas

A few of the older children have started wearing Bandanas (head scarves) to school as a fashion accessory. We would like to discourage this please as it detracts from our overall uniform and can also become a distraction in lessons and assemblies. Thank you for your understanding and support.

Parent Governor Vacancy

We currently have a vacancy for a parent governor. If you are interested in becoming a Parent Governor please complete the previously distributed election form or contact the school office for further details. Thank you. The closing date is tomorrow (7th February 2017).

The 100-word challenge
Week beginning: 23rd January

EYFS/Key Stage 1 winner

Magical moving potion

If you drink this special potion you will be able to move an object with your eyes by just looking at it. You will not need to use your hands. This potion will help you tidy your room quickly and eat your dinner without using a knife and fork. The bubbles go down your neck to your tummy. It tickles your tummy and it feels like your tummy is bubbling. It feels funny when it moves around your bones and body.

Written by Ash Class (Year R)

This fortnight's challenge was set by Rowan Class:

Key Stage 2 winner

How to make a Gobblefunk potion

1. Get a potion jar.
2. Put your basketball in the jar.
3. Turn your jukebox on and dance to have fun.
4. Put the jukebox in a cauldron. When the jukebox is in you'll see it melt into a miniscule jukebox.
5. Then put your two TV remotes in the jar.
6. Now put your four eyeballs in the jar.
7. Next put the goat's fur in the jar.
8. Put one or two McDonald's cheeseburgers in the jar.
9. Put your miniscule jukebox in the jar.
10. Close the lid and shake vigorously for 15 seconds.
11. DRINK IT! And...you will turn into the richest person in the world!

Written by Nicholas (Year 3, Chestnut Class)

Time to read and reflect

We hope you have enjoyed reading these pieces of writing. It would be lovely if you could spend some time sharing and discussing them with your child. Below are some suggestions of things you could think and talk about together.

Ash class have really let their imaginations go wild with their creative description of what might happen if someone was to drink the potion. What else might this magical potion do?

Nicholas has written some great step-by-step instructions and refers to some very unusual ingredients! Can you make up a recipe of your own using some unusual ingredients?

Park Safely at School

**We all have a
responsibility to look after

Guidance for Parents Parking Outside Schools

Where can I park?

You should park your vehicle in line with the parking restrictions in place, at all times. When arriving by vehicle to school, please leave sufficient time to park safely and appropriately.

Can I park on double and single yellow lines?

You can only stop for a short period of time on double and single yellow lines to allow passengers to exit or enter your vehicle, providing no obstruction is being caused. Do not park on yellow lines directly outside the school as views can be blocked for pedestrians, especially children. The School Crossing Patrol's view may also be obscured.

Can I park on school keep clear markings or zig-zag markings?

You must not park on school keep clear or zig-zag markings.

Can I double park if I remain in my vehicle?

No, vehicles parked in the middle of the road cause obstructions for all road users and may block the view for pedestrians, especially children wishing to cross the road.

If your child is walking please remind them to:

- First find a safe place
- Stop near the kerb
- Look all around for traffic and listen

- If traffic is coming let it pass
- When it is safe they should walk straight across the road – and not run – looking both ways and listening while they cross.

If there are parked cars then they should try their best not to cross between them but if there is nowhere else to cross:

- Choose a place where there is a space between two cars
- Make sure neither car is about to move off
- Walk to the outside edge of the cars and stop
- Then use the green cross code to cross the road safely.

You must ensure that your child is using the correct child restraint for their age or size when travelling by car.

If you have a query regarding this information, or you wish to enquire about parking close to a specific school, contact:
