

Year 6

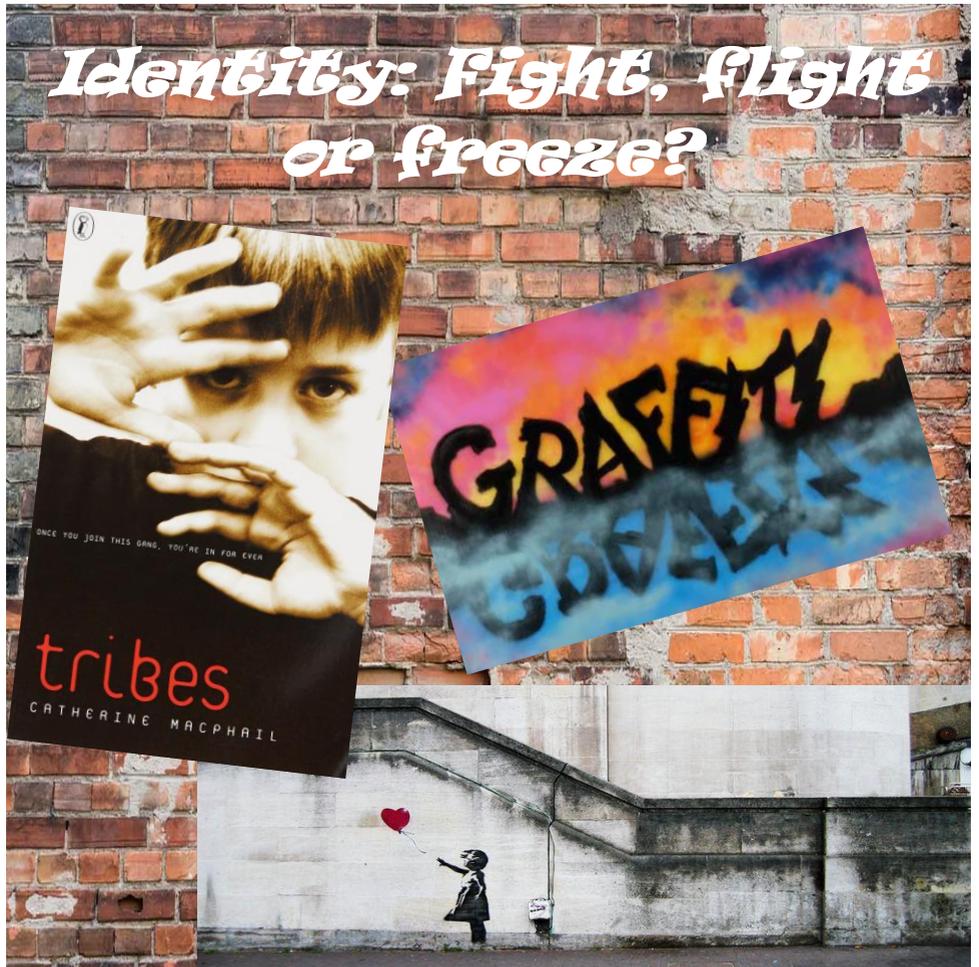

Guide to
Autumn Term 1
2021

Our curriculum at Summerlea is creative and designed to forge links between the different areas of learning. Each topic we study is led by a big question to get us thinking. We have listed the main curriculum areas that will be addressed through each question and have given a brief outline of what we will be learning.

This half term our driving question will be...

Mathematics:

Our main objectives are that:

Pupils identify the missing part using their knowledge of part whole relationships and structures

Pupils create stories to correctly match a structure presented in a model

Pupils use their knowledge of additive structures to solve problems

Pupils calculate the value of a missing part

Pupils correctly represent an equation in a part-whole model

Pupils explain how adjusting both addends affect the sum

Pupils use the 'same sum' rule to balance equations

Pupils explain how adjusting one addend affects the sum

Pupils solve addition and subtraction calculations mentally by using known facts

Pupils explain how using the 'same difference' rule can make mental calculation easier

Year 6 information

The team:

Cherry Class: Mr Anderson

Elder Class: Mr Michica

Group teacher: Mrs Callaway

PPA cover: Mrs Moynihan and Mrs Burge

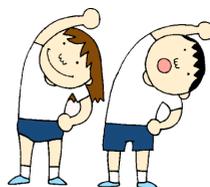

Learning Support Assistant: Mrs Edwards

Individual Needs Assistants: Mrs Dale and Mr Scrivens

Coats/snacks/drinks and equipment:

Please ensure your child has the following items each day:

Planner

Reading Book

Water bottle

Rain coat

Please don't hesitate to get in touch with your child's class teacher if you have any questions or concerns.

Preview/review

At the beginning of each half term we like to invite your child to reflect on previous learning and look forward to new learning.

The last half term all of you were in school (Spring Term 2 2020) your big question was:

Macbeth: Who's to blame?

What did you learn?

This half term our big question is:

Identity: Fight, flight or freeze?

What do you already know?
