***'Growing thoughtful learners and independent thinkers'***

Happy half term!

Hasn't the time flown? What an amazing couple of weeks we have had since I last wrote a newsletter. This week we saw two year groups put on Harvest performances and they were absolutely sensational. To see the confidence, organisation, happiness and enjoyment throughout their shows was a pleasure to watch and I wanted to again place on record my thanks to my teaching staff here at Summerlea for making it possible, and to the children for being so entertaining! 'Big Red Combine Harvester' and 'We Will, We Will Harvest' are two songs that will remain on my mind for quite a while yet I am sure!

I wanted to share with you a few responses from the Schoolworks forum at the beginning of the month. Questions asked revolved around the school keeping its identity and it remaining 'feeling like Summerlea'. Schoolworks were able to reassure parents that this would indeed be the case. Schoolworks also alluded to the fact that they are excited to have us join them, and that they were keen that we offer some of our talents across the trust too. Another question that was raised centred around how different it would be on a day-to-day basis for your children and the community - the answer was the change will just happen 'around you' and you wouldn't notice any significant impact. There were some other things raised that were linked to this, but I promise that I will involve you every step of the way when we have any new news, and rest assured, the school you chose will still be Summerlea - just an improved version!

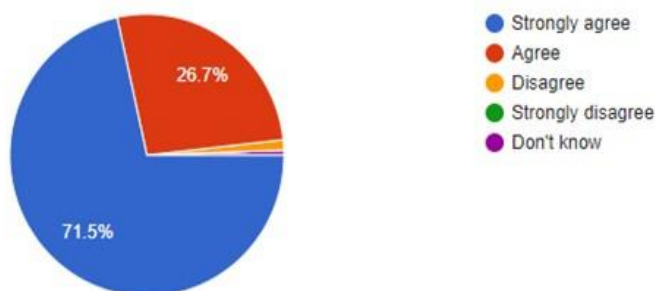

On a sporting note, we had two children qualify for the Windlesham round of the cross country, well done to Freya and Kian and to all the other runners who did an amazing job. In addition, the girls' football team represented Summerlea for the first time ever at the girls Albion Cup at the training ground. The team played brilliantly scoring 7 goals along the way, winning two, drawing one and losing two of their five matches. The future is promising in sport at Summerlea, lots more competitions to come in the lead up to Christmas.

Parents' evenings have been an incredible success. I just wanted to share with you a couple of the answers (I promise there was no coercing or monetary bribes going on) that I have shared with my team. This is before the Thursday parents' evenings have been added to the results:

---

## 2. My child feels safe at this school.

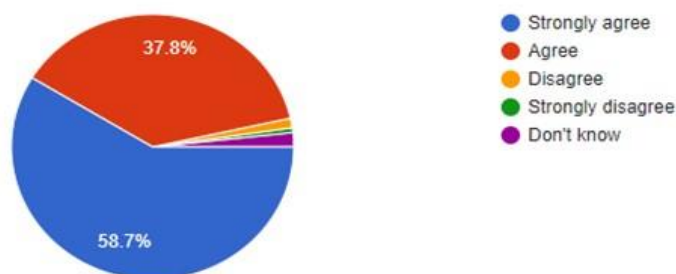

172 responses

---

## 14. I would recommend this school to another parent.

172 responses

These two highlighted how far we have come in our recent journey as a school and lots of the other responses are equally as positive. I am aware that we are not perfect in all areas - however using your views as stakeholders in the school helps me target some strategic improvement in building those home school relationships further. It is incredibly valuable, and it means a lot that you gave up your time for the school.

Moving into the new half term, our school focus will be to embed some of the early work that has gone on since September and for your child to further progress in all that they do at school - I want to wish all of you a very happy half term and to thank my whole staff team, they all do an outstanding job and the effort they put in every day helps make Summerlea a special place to be.

Have a happy and safe half term break!

Mr Todd

## Admissions – key dates

### Monday 2 October 2023

#### Online applications open.

You must provide an email address to apply. You can apply online for your child's school place by visiting [westsussex.gov.uk/admissions](https://westsussex.gov.uk/admissions).

Schools will have their prospectuses available and will have arranged open events.

### Monday 15 January 2024

#### National closing date for starting school applications.

You must submit your completed application by this date. Failure to do so will affect the priority attached to your application.

### Tuesday 16 April 2024

#### National offer day.

Applicants will be notified which school their child is offered by email, where an email address is supplied.

## Making an online application

To make an application using the online system you will need:

- an email address; and
- create an account on Parent Portal if you do not already have an account.

Your Username will be your email address.

Your password must adhere to the following rules. It must:

- be at least 8 characters long;
- have at least one character that is UPPERCASE;
- have at least one character that is lowercase;
- have at least one special character (such as: \* ! \$); and
- have at least one number.

To apply for a school place please visit [westsussex.gov.uk/admissions](https://westsussex.gov.uk/admissions) or call **03330 142 903**.

## How to apply

If your child's date of birth is between 1 September 2019 and 31 August 2020 it is now time to apply for their school place. You need to apply online by visiting [westsussex.gov.uk/admissions](https://westsussex.gov.uk/admissions)

Please be aware that the email address which you provide will be shared with your preference schools and allocated school, as parents and schools increasingly communicate electronically.

If you do not have access to the internet, free access to apply for a school place is available in all West Sussex libraries.

The website provides information needed for completing your application, including details of all the schools in West Sussex, your catchment school and important information for parents. Please read it carefully before making your application.

There are some benefits to applying online and we strongly advise all parents to do so. However, if you really can't access the internet you can obtain a paper form by calling **03330 142 903**.

Please note, you must provide a valid email address with your application in order to receive the outcome of your school offer.

## You must apply on time

It is very important that you apply before the closing date of **Monday 15 January 2024**.

If your application is received after the closing date of **Monday 15 January 2024** your chance of securing a place at one of your preference schools could be seriously affected.

Applications received after the closing date of **Monday 15 January 2024** are late applications and will only be considered after all those that were received on time.

It is your responsibility as a parent to ensure that your application is received by The Pupil Admission Team on time.

## Your preferences

We advise all parents to think very carefully about their three preferences and to use them wisely.

School places are allocated according to the published oversubscription criteria for that school. This can include criteria such as whether you live in the catchment area, whether there are siblings already at the school and the distance you live from the school.

Please be realistic in your preferences. You have a higher priority for local schools. If you chose an oversubscribed school, the further away you live the less likely you are to be offered a place.

Please note that personal circumstances, such as child care arrangements, are not part of the oversubscription criteria for any school and will not be taken into consideration.

Finally, we always advise parents to include their catchment school as one of their three preferences.

Apply online at:
