***'Growing thoughtful learners and independent thinkers'***

Friday, 09 February 2024

Good afternoon everyone and happy half term,

I cannot believe how quickly this half term has gone. 5 and a 1/2 weeks have just flown by and the hopefully the weather will improve as we build into the second half of the spring term. I just wanted to thank you for your continued support over the past few weeks across a range of matters - our community is strengthened when we all work together and I know my teaching team feel very supported by all of you.

I wanted to shout out a specific thank you to year 5 children and the team. I was really proud to accompany some of them to Rustington town centre and watch them conduct their surveys to the public. They were kind, polite and really charming and made a great impression, representing Summerlea brilliantly. Thank you for all involved.

A small update on the Schoolworks front, our conversion date has been pencilled in for April 1st (not a joke!) and when this is confirmed, Sue Meekings, our chair of governors will write to you to officially. I would like to reiterate that nothing will particularly change for Summerlea in your everyday experience of coming to school from the conversion date - so it is nothing to worry about.

We are going to move across to an electronic booking system for parents' evening in the near future when we move across to Arbor - a new online school platform - but this won't happen before conversion. Therefore, we may have to go paper slips this time round, unless we can formulate a simpler system on another package. I am not going to try and fix it if it is not sustainable or doesn't work well, but I promise you will have the timings and slots for parents' evenings in good time, so you can make plans accordingly!

We have spent a great deal of time working hard, as lots of you have acknowledged, on the parking around the school. I would say, most of our community use the surrounding roads with care and consideration but we are not at 100%. We have raised some money through our wonderfully passionate and forward-thinking School Pupil Council and have ordered some new signs - this has come at a great cost to the school and it is another thing that we are doing to try and help the situation. This is another half term plea to please be considerate around our school and keep our children safe.

Finally, I wanted to wish you all personally a lovely, safe and happy half term whatever you choose to do. My children are growing up fast and it is time to be dad to them and give them my time before it all goes away all too soon and they don't need me that much anymore! I hope you all make some great memories over the next week and I will see you all ready to go, back on the 19th February.

Mr Todd

## Early Years Safeguarding Online Safety Starts Early

Internet Matters have a wonderful set of resources on their website specifically for schools and parents of early years children. The resources are a 4-episode series covering good habits, being mindful, device safety and digital chats.
