Year 6 National Curriculum Tests (SATs) Information

Dear Year 6 Parents/ carers,

We are pleased to inform you that we are providing an electronic presentation on the Year 6 National Curriculum Tests (SATs) that we hope will answer your questions. This presentation can be [viewed here](#). Apologies as the last few seconds has been cut off!

As you will see, the presentation gives you information about the National Curriculum tests and statutory assessments that are required at the end of year 6. These details will help you assist your child to prepare for the tests, and will also give us the opportunity to keep you fully informed about your child's education.

Unfortunately due to circumstances out of our control we are unable to offer these through school, but we would like to point you towards revision guides for [English](#), [Maths](#) and [Grammar, Punctuation and Spelling](#), produced by CGP. These guides are extremely useful and can be of great additional benefit for preparing children for the tests. You can purchase these books on Amazon or WHSmith. You can view sample pages from the guides by clicking above on the curriculum subject.

We will be writing to you closer to the time, about arrangements for the week however we will be running breakfast club again for all the children to come to school a little earlier and enjoy some toast or cereal before the day starts and have some time relaxing with their friends.

Attendance during SATs week is very important and if your child is feeling a little under the weather this week, it is really important than we know as soon as possible as this will have an impact on their tests and how we proceed according to the administration guidance. If your child is unwell during the week, we will talk to you more about this if it is necessary.

If you require further details about the guides, or have further questions about your child and SATs, please do not hesitate to contact us.

Yours sincerely,

Mrs Radley and Miss Gilmour
Year 6 Teachers

Mrs Galpin
KS2 Phase Leader and Assistant Headteacher
