'Growing thoughtful learners and independent thinkers'

Friday, 22 March 2024

Happy Friday everyone!

Thank you first of all to everyone who contributed to make parents' evening such a success. From the reading surveys to all the positive, constructive comments - the three evenings were very enjoyable and I wanted to thank my staff for making a difference to your children's lives - every single day. It was so nice to see smiling, happy children and hear so many 'I am good at this Mr. Todd and want to get a bit better at...' comments. Spending time to celebrate individuality is so important to our school vision and values.

Well done to our year 3 and 4 girls footballers during the Albion Cup this week - they performed brilliantly and made it to the quarter final stage. For most of the team, it was their first time representing the school and I know that Mr. Michica was very impressed with their enthusiasm and teamwork. Good luck to our netballers on Tuesday who are playing in the county finals and to everyone who is attending Time to Dance on Thursday, it is my first experience of the event, and I am very much looking forward to it!

As there is no official newsletter next week, I wanted to take the time to wish you a safe and happy Easter break. I cannot believe it has almost been a year since I became headteacher at Summerlea School. The time has flown and I have loved my time here working with a fabulous team and moving our school forward together with you, the Summerlea community.

Sadly, two of my team are leaving the school this term. Miss Savage - a learning support assistant - has only been at Summerlea since Christmas. We are incredibly lucky to have had this short time with Miss Savage, she had never worked as a teaching assistant before, but she looked like a seasoned professional! Miss Savage has been wonderful and made a lasting impression on all of us at school. We wish her luck in her new career, a slightly easier role... joining the police!

In addition, Miss Francombe, an integral member of my fabulous office team and clerk to the governors, is leaving the school to join Palatine School in Worthing. Miss Francombe has been my PA since I joined and I have loved working with her. She has helped me so much, and also supported the school on this exciting part of our journey. All of the Summerlea team will miss her when she leaves. We wish her all the best with her new job and I wanted to say a massive thank you on behalf of everyone at Summerlea for all she has given to the school.

Have a lovely Easter, when it finally arrives!

Mr Todd

The Family Information Service (FIS) can help with finding childcare

Choosing childcare that is right for you and your family can sometimes be challenging. This can be for a variety of reasons - from complex work patterns or having a child with additional needs.

Whatever the reason, the FIS is here to help. We offer an '**extra help to find childcare**' service to help parents find and access suitable childcare. We will listen to your needs and support you every step of the way. We always remain impartial and therefore do not recommend or promote one childcare provider over another.

The FIS can:

- undertake wider geographical searches
- explore alternative childcare types or a mix of provision
- contact providers on your behalf
- contact our neighbouring local authorities for information outside of West Sussex
- organise a face to face appointment at your local Family Hub
- help you access Early Years Funded Entitlement for your child if eligible
- signpost to sources of assistance with paying for childcare
- involve other agencies as required

Daily updates from Ofsted provide us with the most up to date information on all early years and childcare providers. The updates provide us with information on new providers, closures and inspection ratings, and ensures we can help you access high quality suitable childcare to meet your needs.

How to contact us:

- visit our [website](#)
- email us at family.info.service@westsussex.gov.uk
- find us on [Facebook](#)
