'Growing thoughtful learners and independent thinkers'

8th March 2016

Dear Parents and Carers,

We are pleased to inform you that our school has joined a charity called School Angel which will help our school to raise money through on-line shopping.

School Angel works with lots of big shopping brands such as Amazon, John Lewis, Sainsbury's, Boots, Argos and many more, raising funds for over 50,000 UK school children. The retailers will donate a percentage of your on-line purchase price to Summerlea School; you will still pay the same price, for whatever you buy.

School Angel is really easy to use and our school has its own charity page already set up which you can visit using this link <http://www.schoolangel.org.uk/summerlea-community-primary-school.html> or via our own school website, where we have set up an icon called 'School Angel' which can be found under Our School > Fundraising > School Angel.

Once on the page all you need do is click on the logo for the shop you would like to visit. School Angel does not need you ever to create an account or login, there are no passwords to remember and they will never trouble you with any junk mail.

We are really excited that School Angel can help our school raise lots of money for us to invest in equipment to support 21st Century learning.

Please remember to use the School Angel site when you shop, every purchase you make really will make a difference. We will keep you updated with progress being made towards raising funds for our school (and what this is being spent on) via our newsletters and website.

Thank you for your support.

Mrs Jo Maxted
 School Business Manager
