'Growing thoughtful learners and independent thinkers'

NEWSLETTER 16: 16 June 2016

Well done to all of our Year 6 and Year 2 children for the great attitudes they have demonstrated towards their SATs over the past two weeks. We are incredibly proud of them for their aspiration and resilience.

Rustington in Bloom Winners!

Each year we enter the Rustington in Bloom Schools' Art Competition. This year's theme was Roald Dahl and Beatrix Potter. Our Eco Team (otherwise known as the Eco Warriors!) created clay sculptures of the characters from these much-loved children's books. Photographs were then taken of these in our outdoor grounds and a montage put together to create a wonderful image. We are delighted that this entry came joint first in the competition and as a result we were awarded with a special certificate and a £25 voucher. The Eco Team are thrilled and can't wait to decide what Eco based resources they will spend their winnings on. Congratulations to the Eco Team and thank you to Miss Johnston and Ms Gerring who facilitate the team meetings and club. The framed montage will shortly be on display in the school for everyone to enjoy.

Green Power Goblin Kit Car Race

The first kit car event of the year took place at Banjo Road, Littlehampton Seafront, on Saturday. The team did brilliantly and showed great skill and determination. Team Summerlea came joint third and second overall which was a fantastic result! Congratulations to the whole team (drivers and pushers) and a big thank you to Mr and Mrs Strong for running the club and training the team to such a high standard. Thank you also to everyone else that came to show their support. Goodwood here we come!

Year 3 and 4s Serve up an Ace!

A tremendous effort from both the girls' and boys' Year 3 and 4 tennis teams for securing an overall 1st place at the LASP tennis tournament last Wednesday.

A combined score from a tournament of modified games and a skill circuit of activities resulted in the boys finishing 2nd and the girls achieving first place and gold medals! These scores saw Summerlea finish 1st overall. Both the girls and boys teams will go on to compete at the SAP finals. Terrific Tennis Team Summerlea! A few reminders

Please ensure your child is wearing the correct school uniform, including sensible and safe plain black shoes. Please also remind your child to dismount their bicycle at the end of a cycle track and their scooter on entering the school premises. And finally, please remember that the school car park is for use by disabled badge holders only or by prior agreement with the headteacher in exceptional circumstances. Thank you for your cooperation and support.

The 100-word challenge
Week beginning: 18th April

EYFS/Key Stage 1 winner

Once upon a time there was a **red** dragon. There was a princess. She had a **soft umbrella**. On a windy day the umbrella **floated** her to the dragon's **mountain**. The princess was scared but the prince saved her. They lived happily ever after.

Written by Annie, Mansa, Libby and Jessica (Maple and Willow Class, Year R)

The children were given these words to include in their writing:

5 words

red

mountain

floated

soft

umbrella

Key Stage 2 winner

*In the morning I awoke on my **soft** pillow. I went downstairs and got ready. Then I thought of an idea. I would go on a fantastic adventure. I could go on a walk to the **mountains** but when I went outside it was raining. I was so disappointed but I got my **red umbrella** and went ahead. When I got there I was amazed. There were giant mountains. I strolled up the tallest mountain. At the top there was a beautiful view. Suddenly, a volcano erupted with boiling molten lava. A huge gust of wind blew my umbrella away...*

Written by Emily (Elm Class, Year 4)

Time to read and reflect

We hope you have enjoyed reading these pieces of writing. It would be lovely if you could spend some time sharing and discussing them with your child. Below are some suggestions of things you could think and talk about together.

Annie, Mansa, Libby and Jessica have worked together to create their short story. They wrote each of the five words in a different colour to make them stand out. How else could you make words stand out in a piece of writing? Can you find some examples of where different authors have done this?

Emily has written a great story opening. She has used four of the five given words. Can you continue the story and incorporate the word 'floated' somewhere in what happens next?

VACANCIES

All MDMS are expected to supervise and engage the children in play on the playground before/after lunch has been eaten and liaise with the staff about pupils' individual needs.

Summerlea School is an equal opportunities employer and the posts are subject to enhanced DBS clearance. We expect all candidates to share a commitment to safeguarding our pupils.
