'Growing thoughtful learners and independent thinkers'

Wednesday 17th October 2018

Dear Parents/Carers

Following on from our letter of 17th September 2018, regarding the evaluation of our Rapid Improvement Plan, we are now in a position to share our new School Improvement Plan for the academic year 2018-19 with you.

Please see the attached document, which is a parent-friendly summary compiled for your information. The full School Improvement Plan is much longer and more detailed. It has been shared with the Local Authority and is monitored and regularly reviewed by governors and our link adviser.

We are receiving ongoing support from the Local Authority and are also hoping to continue to benefit from school-to-school support, in order to bring about better outcomes for our pupils. We have an accurate picture of the strengths of our school and the areas requiring improvement.

We will continue to provide parents with regular updates with our whole school improvement journey throughout the year. You can also visit our website: <http://www.summerlea.w-sussex.sch.uk/> and follow the links to Our School > School improvement and Our School > Curriculum & Assessment > School Performance Data.

As previously stated, our staff and governors remain fully committed to the continuous improvement of our school and we cannot thank them enough for all they are doing to ensure the very best for every child; they deserve nothing less.

If you have any questions, please do not hesitate to speak to your child's class teacher or a member of the Leadership Team. You can also email governors@summerleaschool.co.uk

Thank you for your continued interest and support.

Yours sincerely

Helen Morris
