**NEWSLETTER 7: 10 December 2018**

**We are looking forward to the Christmas performances and concerts this week and wish all of our families a very Happy Christmas and New Year.**

## Cowbell Assembly

Parents and carers with children new to the school may not yet have heard about Cowbell Assembly.

Cowbell Assembly takes place close to the end of each term. The whole school comes together in the hall to watch and celebrate a whole range of special interests and talents that, without the opportunity to showcase these, we might never know existed!

Children wishing to take part in Cowbell Assembly complete a slip with some information about their act. This can be anything at all and might be singing, dancing, gymnastics, cake decorating, performance poetry, magic tricks, comedy, drama...the list is endless and almost anything goes! Children can take part individually, in pairs or as part of a group.

Acts from each year group are then chosen to participate and are notified before the day of Cowbell so that they can prepare and wear a special 'costume' if they wish to do so to help them look the part.

It is always a very popular event (with children and staff alike!) and everyone is incredibly supportive of each other as they take to the stage - sometimes for the very first time. After each act a Cowbell sounds in celebration and is also used to indicate when each act is ready to begin. Ask your child about the power of the bell!

### **Elf on the Shelf**

It has become apparent that this Christmas tradition is proving very popular amongst children this year and it has been lovely to hear about all of the mischief these cheeky characters have been getting up to in the build up to the big day. We politely ask that children's elves remain at home please, rather than them being brought into school, where they may get lost, become a distraction or up to no good! Thank you for your support.

### **Nut free lunch boxes**

A reminder to please not include products containing nuts in your child's lunch box. We have a number of children with nut allergies and the consequences can be severe and life threatening in some cases. Thank you for your co-operation.

### **Communication with the office**

If you have a general enquiry then our friendly office staff will always be only too happy to help you in whatever way they can. The office is often particularly busy at the start and end of the school day and so please bear with us at these times – we will do our best to assist you as soon as we can. You also have the option of contacting the office by phone or email. We expect all of our community to live our Summerlea Seven Values and for everyone to be respectful and polite.

Thank you to our fantastic admin team: Mrs Shelfer (Receptionist), Mrs Wright (Finance Assistant), Mrs Moore (Headteacher's PA and Clerk to Governors) and Mrs Maxted (School Business Manager).

### **FOSS Fundraising**

Thank you to everyone who came along to support the FOSS Christmas Fair last Friday. Fundraising endeavors this year are going towards our library fund as we make plans to refurbish and restock the school library. Money is still being counted from the Christmas Fair and we are also having collections for FOSS after each Christmas performance this week – thank you for your generous donations. A special thank you to the FOSS committee and all of the parents, staff and governors who helped.

### **Boogie Bounce, Littlehampton**

Fitness classes on mini trampolines; a high intensity, fat burning workout that's low impact on the joints.

This full body programme combines cardio with a highly effective legs, bums, arms and tums toning section. Launching Tuesday 8th January at Summerlea School. Classes to be held Tuesdays and Wednesdays 6pm and 7pm on both nights. Advance booking is essential due to limited equipment. Contact Clare on 07884

### **Sickness reminder**

If your child has suffered from diarrhoea and/or vomiting symptoms then it is important that they do not return to school until 48 hours after the last episode and only once they feel well. This policy is in line with advice given to schools by the NHS and helps to ensure that sickness bugs are not easily passed on. Thank you for your support.

### **French phrase of the fortnight**

This week our phrase of the fortnight week is: 'Joyeux Noel' (Merry Christmas)

# **RUSTINGTON PARISH COUNCIL**

## **PRESS RELEASE**

### **End of Centenary of World War One**

#### **Primary Schools' Art Competition**

As part of its own commemoration of the End of the Centenary of World War One, the Council recently held a Schools' Art Competition for all three Primary Schools in the Village.

A large number of excellent and most creative entries were received and subsequently judged by Members of the Council's dedicated Working Party. The Winners' and Runners-Up Entries all received Book Tokens. In addition, each of the three Schools received an established Oak Tree, courtesy of Ferring Nurseries, to plant in their grounds, together with a smaller Oak Tree, donated by the Brookside Memorial Garden Community Group.

The Manager of Rustington Museum has now made arrangements for all of the entries, together with the 'Heads and Shoulders' Silhouettes representing those from Rustington who gave their lives during World War One, which

featured as part of the Rustington Remembrance Sunday Service at the War Memorial on 11 November 2018, to be displayed in the area, soon to be home to Rustington Museum, at The Samuel Wickens Centre, in the Broadmark Lane Car Park. It is anticipated that the entries will be on display, during the Centre's opening hours, for members of the public to view for a period of two weeks, with effect from Wednesday

5 December 2018.

# Owls About Town

Have an experience  
of a lifetime with  
our magnificent birds!

**Quietly tucked away in  
Selsey you will find Tango  
and his friends at home in their  
very own special corner of the  
West Sussex countryside.**

We have a lovely 'Parliament' of Owls from the largest Eagle Owls to the smaller Little Owls. Some of our Owls have been rehomed to us and some have been hand reared and trained by ourselves.

We are extremely passionate about our birds and their care and welfare is of the highest importance to us.

**We offer opportunities to hold  
and be up close and personal  
with some of the most majestic  
creatures of the world.**

By offering instructional visits to Groups, Individuals and Schools we aim to increase the awareness of these amazing creatures and actively encourage and promote their protection and conservation, as well as creating opportunities where the public can experience close contact with our birds.

**We attend many different types of  
events locally & throughout Sussex.**

We offer a hands on experience to Individuals, Nursing & Residential Homes, Schools, Birthday parties, Charity Events and Team Building sessions to name but a few!

We also provide Static Displays for fete's and fairs. We bring along a complement of 5-8 Owls.

**Whatever your event we will create  
an experience to suit your needs.**

All of our magnificent friends are legally held in captivity and have the correct documentation which is available on request.

Andy And Zsi spend considerable time ensuring we have a varied and well balanced diet, one which provides each of us with the correct vitamins and minerals needed to keep us in the best possible conditions.

**We are transported in our  
purpose designed boxes, we are  
lucky, we all have our own!**

Mam and Dad know us all very well and ensure we are ready to meet and greet you all. Like everyone, we are no different and do have occasional days of being off colour. If for any reason any of us show any signs of discomfort, tiredness or stress they will remove us from the display.

## TEN WAYS TO CYCLE AS A FAMILY

### Ideas for shorter rides

1. Ride somewhere for lunch, ride back afterwards
2. Ride to local park or forest
3. Ride to a local event
4. Ride to a nice picnic spot
5. Cycle as a family to visit friends
6. Plan a ride along a local riverbank, canal or coastline

### Ideas for more ambitious rides

7. Plan a trip where some family members ride while others take the bus or train (NB most trains take bikes free off-peak but you may have to book)
8. Extend a ride by adding a train trip as part of the outing
9. Plan a longer ride to and around a favourite forest or park
10. Go away for a night on your bike: pack up and go! (pannier bags are useful to carry luggage). Add in a train ride for longer distances.
