## Young Voices at the O2 Arena

Last Thursday 31<sup>st</sup> January was a first for Summerlea. Mr Burrows and Miss Walker took 64 children to represent Glee and sing at the Young Voices concert at the O2 arena. This was an incredible experience for all involved and there was great anticipation as the children excitedly boarded the coaches and made their way to London. The arena was huge and the seating seemed very high up – the children had the most amazing view! Everyone had a wonderful time and sung their socks off. The atmosphere was electric and something we hope will be remembered for a long time. A huge well done and thank you to all of the children that performed – you made us all very proud. Thank you also to Mr Burrows, Miss Walker and all of the other adults that accompanied the children – it was a very long and tiring day but so worthwhile. You can see some photos from the day as events unfolded on our Twitter page which also feeds through to the homepage of our website. We are looking forward to next year already!

## French phrase of the fortnight

This week our phrase of the fortnight is:  
Parlez-vous français? (Do you speak French?)

### Uniform Reminder

We have spoken to all of the children in assembly about the importance of wearing the correct uniform in school. As a reminder, any hair accessories should be in school colours (yellow, green, black or grey). Nail varnish must be removed before school and only small stud and plain earrings can be worn. Trainers may be worn but they should be plain black. Thank you for your support.

### Chartwells menu

Please be aware that on the first day back, after the half term break (Monday 25<sup>th</sup> February) there will only be jacket potatoes on the Chartwells hot meal menu rather than the usual selection of main courses.

### Snow

Last week we experienced some extremely cold weather and even had some snowfall. Mr Strong (Premises Manager) worked hard to ensure the site was as safe as possible for children, their families and staff. On Friday morning he was here soon after 6am, clearing and gritting pathways to enable us to open as normal. Our primary concern is always the safety of children and staff as they make their way to and from the school and move around the site.

In line with our snow plan, we will always inform parents if we decide to close through our usual communication systems, including our website, ParentMail and Twitter. We would also inform local radio stations.

We know that school closures cause disruption for families and do not take decisions to close lightly with safety always being paramount.

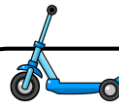

Thank you for your support and for ensuring your children are dressed appropriately during the cold weather.

### Staffing Updates

Following on from the feature in the last newsletter, I am delighted that Miss Axton will be remaining with Beech Class for the rest of the year.

Mrs Tedbury will be returning to work after February half term and will be teaching opposite Mrs Kerrison-Pierce, in Elder Class, every Monday and Tuesday and then covering PPA in Year 5 and Year 2 on a Wednesday. We look forward to welcoming Mrs Tedbury back.

After 20 years at Summerlea, Mrs Barton (Learning Support Assistant and ASCC Deputy Manager) is sadly leaving us. Mrs Barton has recently moved to Portchester and the commute from there to here each day was understandably starting to take its toll! Mrs Barton has been appointed as a Teaching Assistant at The Federation of Riders Schools in Havant. We would like to take this opportunity to thank Mrs Barton for all she has given to our school and its children over the years and wish her every happiness in the future.

### Scooters

A reminder that scooters (or similar) must not be ridden in the school grounds. Children are usually really good at getting off their scooters at the school gates and wheeling them from that point. The reason that we have this rule is to help keep everyone safe at what can be a very busy time. Thank you.

### Parking in Taylor Close

Residents in Taylor Close (just opposite our school, off Windsor Drive) have contacted us to politely ask that parents do not park in this private road. Thank you for your cooperation.

## Missing Scooter

A scooter, same as the picture below, has gone missing from the school grounds. The scooter was parked near the wooded area close to the Worthing Road entrance just before Christmas. If you have any information regarding this please contact the school office. Thank you.
