'Growing thoughtful learners and independent thinkers'

NEWSLETTER 13: 25 March 2019

We raised a brilliant £291.86 for Comic Relief this year.

A special well done to Hollie B in Year 5 who raised £50 of this total through her own fundraising endeavours. Thank you everyone for your support and donations.

Reading Workshops

Thank you to everyone who attended our Key Stage 1 Reading Workshop last week and to Mrs Conrad and Mrs Levantine for leading this session. We received some extremely positive feedback about the information shared and nature of the meeting. The presentation and linked resources are now available to view via our website (Our School > Curriculum & Assessment > English > Reading).

A reminder to all parents that our next curriculum workshop is our Key Stage 2 Reading Workshop being held on Thursday 4th April at 6pm and led by Mrs Conrad and Mr Anderson. This is open to all parents (you are welcome to attend even if your child isn't in Key Stage 2 yet). Next term we will be running writing workshops – further details will follow after the Easter break. We look forward to seeing you.

Safeguarding at Summerlea

Phishing and the secure padlock

Good advice to children and young people is to always check the web address bar to see if it has the little padlock on the left hand side and the web address starts with 'https', with the s denoting secure. Security researchers are finding that criminals are also using the padlock in the hope that you'll be tricked into thinking the site is legitimate and/or safe.

It's still good advice to check for a secure connection, but users should also check:

- Grammar and spelling (this is the easiest and the most common).
- Suspicious popups making outlandish claims (e.g. win an iPad).
- A slight alteration to the web address (an obvious one might be Barc1ays, where the L has been changed to a figure

Always talk to a trusted adult

It's one of the important messages we give to children, but when using this message, please be careful. This message cannot be used as a 'rule', it needs context around it. Remember, one of the processes an offender might try is to establish trust.

Many thanks to Mrs Turvey and Mrs Hills for helping out in the interim to ensure the continued smooth running of ASCC. If you would like to find out more about ASCC or book a place for your child please ring 07981 350306 or pop into the office.

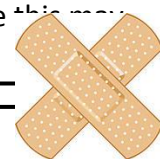

Polling Days

On Thursday 2nd May 2019 District and Parish Elections are being held and as in previous years our school hall is being used as a Polling station. The school will be open as usual and further information about arrangements for the day will follow nearer the time.

We have also recently received notification from Arun District Council that they may need to use our school on Thursday 23rd May 2019 for the European Elections due to be held. If these should go ahead and our hall is used, school will be closed to children on this day due to the political uncertainty surrounding Brexit and the children's safety being paramount. We will confirm this as soon as we know, which should be before the end of term.

Thank you for your understanding and apologies for any inconvenience this may

Verrucas

If your child has a verruca, please ensure these are covered with a plaster when swimming or doing PE as they can spread to other people from contaminated surfaces or through close skin contact. Thank you.
