*'Growing thoughtful learners and independent thinkers'*

**NEWSLETTER 16: 20 May 2019**

**Year 6 children are on their residential trip this week to the Alex Rider Spy Academy in the Wye Valley. Follow us on Twitter@summerleahearts to share in their daily adventures.**

**Summerlea Staff Skydive!**

On Saturday 1st June, Miss Camble and Mrs Chittenden will be putting aside their fear of heights by jumping out of a plane at 10,000 feet! All for the love of our Summerlea School! This challenge grew out of Miss Camble's desire to raise money for FOSS in a unique way, combined with a wish to do something completely out of her comfort zone. Subsequently, the idea for a sponsored skydive was born. When Mrs Chittenden heard of Miss Camble's plans, she volunteered to be her 'jump buddy'.

So, in just under two weeks, both staff members will be travelling to Salisbury to prepare for and complete their jump. Despite their nerves, they are both really excited about the skydive. They will be filming a video diary in the run up to the jump and both of their skydives will be filmed by the team at Go Skydive. We plan to share both films with the children once we are safely back on the ground (Miss Camble has been having a reoccurring dream about landing on top of Salisbury Cathedral's spire though...!).

If you would like to support Miss Camble and Mrs Chittenden (aka the Vertical Avengers) with their leap into the unknown, and to reach their target of £1000, you can sponsor them via their Go Fund Me page <https://www.gofundme.com/miss-camble-and-mrs-chittenden-love-summerlea> or via the school office.

Thank you!

## French phrase of the fortnight

Our French phrase this fortnight is:

**De rien** (You're welcome / It's nothing)

### Competition Winner!

We were thrilled to find out last week that one of our children won the Chartwells St. George's Day Design a Shield competition! Many congratulations to Isla S in EYFS. The prize is a family ticket to Arundel Castle's Jousting & Medieval Tournament, as well as getting her shield design printed on a t-shirt and a tea towel!

This is the first time one of our pupils has won and we are all super excited and proud – well done Isla; what a great achievement!

### Fundraising Fiesta

Last Friday brought our sixth Fundraising Fiesta. Our School Pupil Council organise and run this annual event, during which children who wish to raise money independently for a registered charity of their choice are selected to run their chosen stall. Unfortunately, the weather was not on our side but thankfully this did not keep families away. Every year, lots of applications are received and the School Pupil Council work hard to ensure as many different charities and stalls are represented as possible. Each fundraising group is responsible for setting up their table, designing posters and providing equipment. We were once again very impressed with all of the hard work that had clearly gone in to making each stall stand out. A huge thank you to all of our fundraisers and everyone who came to show their support. Congratulations also to the School Pupil Council on another very successful event and thank you to Miss Camble for facilitating this. Overall a wonderful £779.56 was raised! Well done everyone.

### New appointment

We are delighted to have appointed a new EYFS Teaching Assistant in preparation for when Miss Parsons leaves at the end of the academic year. Miss Lauren Black was the successful candidate and has been volunteering here and is also an ex-pupil, so will be a familiar face! We look forward to welcoming her back and to her joining our EYFS team. Miss Black will be here for the Welcome Meeting for new parents and their children, as well as for transition day and stay and play sessions.

### A polite reminder

Please ensure adults and children dismount bicycles and scooters on entering our premises. We also kindly ask that these are not wheeled across our field as it damages the grass. Thank you for your cooperation.

### Saunter along to the sausage sizzle!

If you are at a loss for something to do on the next bank holiday Monday (27th May), pop along to Homebase in Chichester where you will find some of our FOSS supporters running a sausage sizzle stall between 9 am - 4 pm. All proceeds on the day go to FOSS for our library fund. Not only will you be able to enjoy your sausage sizzle, but you will also be able to join in with craft activities and a 'bee hunt', as well as being able to find out about recycling. Please encourage friends and family to pay a visit too, remember all proceeds to FOSS... Thank you for your continued support!

### Chartwells menu

Please be aware that on the first day back (Monday 3<sup>rd</sup> June), after the half term break, there will only be jacket potatoes on the Chartwells hot meal menu rather than the usual selection of main courses.
