'Growing thoughtful learners and independent thinkers'

NEWSLETTER 18: 24 June 2019

**Our FOSS Summer Fair is next Friday 5th July from 4pm-6pm.
Please tell your family and friends and we look forward to seeing you there!**

Sports Day

In keeping with typical British weather, we went from flood warnings to sun protection reminders within the space of just a couple of days! We were delighted to be able to go ahead with Sports Day on our reserve date last Friday. The sun shone, the crowds cheered and the sportsmanship was present in bucket loads. A huge thank you and well done to everyone involved. Special thanks to Miss Walker and the PE team for organising such a successful and smooth running day. Thanks also to the TLA PE department and their amazing sports leaders, as well as to our own sports crew who led events and supported younger children. A few ex-pupils also came along to volunteer – thank you! Thank you to all of the staff, including Mr Strong (Premises Manager) and Mr Moore (IT Technician). Thank you also to FOSS for providing refreshments. And finally, of course, a big thank you to all of the children for brilliant behaviour and participation. Summerlea Dance Squad were great and congratulations to Ruby House for winning the cup! Thank you all for coming along – we hope you enjoyed the day!

Week beginning 25th June

National School Sports Week

Mon 24th: Year 4 swimming and Year 5 and 6 top-up swimming

Thurs 27th: 6.30pm 'A real song and dance' – tickets available from the office

Fri 28th: FOSS Non-tin tombola non-uniform day

Week beginning 1st July

Mon 1st: Year 4 swimming and Year 5 and 6 top-up swimming

Wed 3rd: Transition Day (more information to follow)

Fri 5th: FOSS Summer Fair 4-6pm

French phrase of the fortnight

Our French phrase this fortnight is:

Asseyez-vous (Sit down).

Beat the Street

Beat the Street is a fun, free challenge that will see hundreds of community groups across Coastal West Sussex compete to see who can walk, run or cycle the furthest in just six weeks! The game runs from 19th June until 31st July 2019. More than 100 sensors called Beat Boxes have been placed on lamp posts across the area. These can be tapped with Beat the Street cards to track your journey and earn points. At the end of the six week game, the teams that have the highest point score and highest average can win £100s in sport and fitness prizes. To find out more and how to get involved please go to our website: School information > Learning Zone > Pupil Voice > Travel Plan Team

Attendance Awards

Earlier this year, the School Pupil Council (SPC) reviewed how attendance is rewarded. With the end of term fast approaching, we wanted to share the award system with you:

100% attendance = exceptional **GOLD PLUS**

98.5% attendance = excellent **GOLD**

98% attendance = very good **SILVER**

97.5% attendance = good **BRONZE**

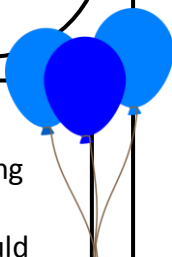

Children with 98.5% attendance or above will be presented with a medal and certificate in our Headteacher's Award Assembly and children with 97.5%

attendance or above will get a certificate. In addition, the SPC wanted to keep the class best attendance system with the monetary award and so this has remained in place and the winning classes will be announced soon! Thank you to the SPC.

Sock donations

If anyone has any unwanted pairs of young children's school socks in good condition then we would be very pleased if you could donate them to us. Please drop them into the office. Thank you.

Staffing News

We are pleased to have appointed a new Learning Support Assistant – Mrs Joanne Weston. Joanne will be supporting children with individual needs and will be based in EYFS initially. We look forward to welcoming her to our team in September.

Polite reminder

A reminder to please ensure paths are kept to and that any younger siblings are closely supervised by parents/carers. Please do not allow children to run ahead and to tread on or pick flowers within the school grounds. Thank you for your cooperation.

Boogie Bounce

Please see the attached flyer for more information about this fitness class for adults. A discount is available for parents with children at our school (£4.00 rather than the usual £6.00 per session).

Schools' Art Exhibition

Year 5 children from across our locality group of schools currently have work on display at the Littlehampton Museum. The exhibition runs until Friday 12th July and consists of work inspired by the text Holes and workshops at TLA. Please visit if you can!

Cheque Presentation

Hilton Avisford Park staff recently hosted a special event to celebrate the 100th anniversary of Hilton. The celebration included cheque presentations to various recipients of funds raised by the hotel during 2018. The cheques were presented to some Summerlea representatives by the director of the DM Thomas Foundation for Young People, which partners closely with the hotel. A total of seven local good causes and charities were grateful to receive grants of £830 each and FOSS were one of them!

Summer Takeaway

Friday 12th July

Fish & Chips

or

Quorn Balls in BBQ
Tomato Sauce & Chips

Peas or Salad

Cranberry Shortbread

Order Meals by Sunday 30th June

Premier News

YOUR LOCAL PREMIER UPDATE - SUMMER TERM 1 2019 ISSUE

Included in this issue...

- Premier in the community
- Gymnastics star comes to Sussex
- Year round support for your school
- What do our customers think
- Meet the team

Gymnastics champion to visit local school

Coming Soon...

Due to our partnership with British Gymnastics & continued growth of our Gymnastics Holiday Courses, Kelly Simm, 2018 British Championships all-around champion, will be visiting us.

Kelly will be joining us for a Gymnastics event at Rustington Community Primary School on Weds 19th June where we will invite local pupils to attend a gymnastics masterclass.

Sainsbury's partner with Premier to deliver an active summer!

Working in partnership with Sainsbury's, the Active Kids holiday clubs are designed to help kids to be more active and lead healthier lives in the summer holidays, at a great price for parents.

We want our holiday clubs to be fun for everyone, so our Active Kids will be trying all sorts of activities including sports such as tennis, gymnastics and dodgeball, alongside arts & crafts, circus skills and the opportunity to try a para-sport!

Kids will be grouped by age, helping to build their confidence with new people and new activities. All of this is only £7.50 per child per day, and includes a healthy lunch and snacks.

Our nearest venues this summer include:

- Bersted Green Primary School, PO22 9HT
- North Lancing Primary School, BN15 0PT

For more details and to book visit
<https://activekids.premier-education.com>

If you would like to fund places for your pupils on either Active Kids or Wildcats sessions - please email admin@premier-westsussex.com

Premier joins forces with Sussex FA to offer 'Girls Only' football sessions

The Football Association and Premier have teamed up to launch SSE Wildcats sessions in the local area, designed to inspire girls aged between 5-11 to be involved in the sport.

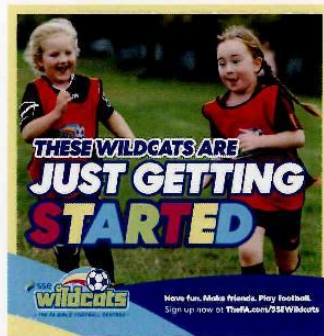

SSE Wildcats Girls' Football Clubs provide girls with regular opportunities to play football and take part in organised sessions in a fun and engaging environment created exclusively for girls. 200 clubs have been established across England throughout the spring and summer.

The sessions will take place on a weekly basis and will provide a safe environment where girls with no football experience can; have fun engaging with sport, develop fundamental skills, try a variety of sessions, learn new things and create foundations for a lifelong love of sport.

Venues available:

- The Littlehampton Academy, BN17 6FE
- West Park Primary School, BN12 4HD

Year round support for your school...

Premier works with thousands of schools during curricular time to deliver structured physical activity and sport including gymnastics, net and wall games, striking and fielding games, invasion games, dance, drama and more!

Year round support is available with curriculum enrichment blocks and specialist activity based on your schools' requirements. Confidence, discipline, teamwork, fitness, and more will increase as a result of Premier's provision - it's proven that Premier children are fitter children. Whatever activity you choose, we will work closely with you to support your school and uphold its values, ethos and standards.

How can Premier support your PE and School Sport requirements?

Our programmes have a positive impact on pupil progress and performance. We offer a school led, collaborative partnership model using an online planning framework rather than schemes of work. This ensures that every lesson is differentiated and based on outcomes of the previous lesson, resulting in all pupils making good progress rather than just following a set scheme.

Get in touch today to find out more

Premier support includes...

- Report and discuss pupil progress and achievement each half term.
- Provide access to online planning framework and records on personalised schools portal.
- Local and national quality assurance and ongoing quality improvement strategy.
- Build a strong rapport with teaching, staff and parents.
- Deliver inclusive and innovative lessons.
- Undertake joint observations with a member of your school's senior leadership team.
- Work collaboratively with teachers to incorporate cross-curricular links with themes and topics.
- Deliver/support PE lessons with teaching staff to focus on teacher identified personal development and support needs.

Meet the Team

Neil McGovern - Delivery & Quality Assurance Manager

I have been coaching sport for over 15 years now. As a child I was always happiest running around with some form of ball, bat, racket etc. I went on to play rugby for England u18s and Harlequins up to 2nd team level.

Since starting out on my coaching journey, I have gained a level 3 qualification in coaching rugby and worked full time for the Rugby Football Union as a Community Coach and Coach Developer. I then trained as a teacher in further education and taught Sports Science at a 6th Form College.

My role at Premier involves supporting the coaches with their own development. It has been particularly pleasing to see how enthusiastic they are to learn and improve as coaches. In a time when smart phones and tablets rule, sport and exercise in schools has never been more important. It has been great to see that the coaches at Premier are committed to creating a fun and challenging environment for the children to thrive in.

Coming Soon!!

Starting September - TT Kidz!

Working in partnership Table Tennis England, we will be launching a brand new programme designed to get more 7-to-11-year-olds into table tennis. Equipment provided if necessary. Get in touch to activate your school through Table Tennis!
