'Growing thoughtful learners and independent thinkers'

NEWSLETTER 19: 08 July 2019

We are all looking forward to seeing the Year 6 production this week of Beauty and the Beast. Good luck to all of the children and we wish them all the very best as they move on to secondary school in September!

Super Summer Fair!

We hope you all enjoyed the FOSS Vintage Summer Fair last Friday as much as we did! The weather was perfect and there was a lovely atmosphere. This year, the afternoon was interspersed with a song from each year group/phase and a whole school song too. This was a great addition to the entertainment; many thanks to Mr Burrows for arranging this and well done to all of the children that took part. Thanks also to all of the stallholders, parents, staff and governors who volunteered their time and help. And, of course, a massive thank you to FOSS for making the fair such a successful community event, as well as fundraiser. Special thanks to Liz, Emma, Kat, Gemma and Angela and to everyone else who offered their support behind the scenes and/or on the day itself. Monies are still being counted and we will announce the grand total raised very soon. Thank you for your support.

French phrase of the fortnight

Our French phrase of the fortnight is:

'Levez-vous' (Stand up / get up)

Week beginning 8th July

No teacher led clubs this week

Year 6 production

Mon 8th: Year 4 swimming and Year 5 and 6 top-up swimming

No clubs this week

Tues 23rd: 2pm Year 6 Leavers' Assembly

3pm: End of summer Term (No ASCC today)

School re-opens on Tuesday 3rd September 2019.

Monday 2nd September is an INSET day.

New Gate Guidance

As you will be aware, from previous communication, we are having an electronic gated system installed at the front of the school by the main entrance to the car park. This will make our school site more secure and our staff car park safer, as well as helping to ensure access is more closely monitored. The children's safety is paramount and this is a facility many larger schools now benefit from.

Installation will take place during the summer holidays and should be in place and working for the start of the new academic year, in September 2019.

In light of this, we are reviewing our current policy in relation to parents/carers being granted access to the school car park in a vehicle. Currently, we allow disabled blue badge holders to utilise the carpark, provided they are not accompanied by an able-bodied adult and there is space for them to safely park. Access is sometimes also authorised in exceptional circumstances, with prior permission from the headteacher.

As from September, any parents/carers wishing to utilise the staff carpark will need to ask for a 'Permission for School Carpark Access' form. These are now available from the school office and should be completed and returned, ahead of September where possible. Authorised access will be at the headteacher's discretion and your form will be returned to you stating whether or not permission has been authorised.

If permission is authorised, then you will be asked to read and sign an agreement form, including a risk assessment.

Please understand that the carpark is first and foremost intended for staff use. Disabled parking spaces are very limited and priority will be given to our pupils who are registered disabled and wheelchair users.

Staffing Updates

We are sorry to be saying farewell to Mrs Gingell, one of our Learning Support Assistants, at the end of this term. Mrs Gingell has been appointed as a Key Stage 1 Teaching Assistant at East Preston Infant School. We wish her congratulations and thank her for all she has contributed to our school, and done for the children, during her time here. As per previous communication, we will also be saying goodbye to Miss Parsons (EYFS Teaching Assistant) and Mrs Jenkinson (Class Teacher). We wish them all the very best for the future and hope they come back to visit very soon!

Buckingham Place

A polite request from our local residents: please ensure children do not cut across front gardens on their way to and from school. Thank you for helping our children understand and live the value of respect.

Violin lessons in September

There is an opportunity for pupils to start violin lessons at school with our visiting teacher, Valerie Will-Holbrook, who is a qualified teacher working for **West Sussex Music**. All information can be found on the West Sussex Music website.

To apply for lessons please apply online <https://www.westsussexmusic.co.uk/page.cfm?title=making-music-in-school>

Information about costs can be found using this link:

<https://www.westsussexmusic.co.uk/page.cfm?title=prices-and-offers>

Information regarding financial assistance can be found here:

<https://www.westsussexmusic.co.uk/page.cfm?title=bursary-fund>

She is happy to be contacted by email if you have any questions:

Valerie.Willholbrook@westsussexmusic.co.uk

Thank you!

A **BIG** thank you to all the parents / carers who ran the Sausage Sizzle on 27th May 2019 to raise funds for FOSS. A special thank you also to local company, 'Express Supplies', who sponsored the event.

New resources

We are really pleased to be able to let you know that we have been able to purchase some new Accelerated Reader books due to funds raised by FOSS. In addition, new games tables for the Key Stage 2 Quiet Area have been bought. Many thanks to FOSS and everyone who has kindly supported their various fundraising endeavours.

Sun safety

We have all been enjoying some fabulous summer weather but in order to stay safe, please make sure that your child comes to school with a water bottle, a hat and wearing sun protection.

We encourage the children to use the shade and drink water regularly throughout the day when it is hot.

If your child has a packed lunch, please ensure that you include a small ice pack so that their food stays chilled.

Thank you for your help and support.

Important Chartwells reminders

If your child is in Key Stage 2 (Years 3 to 6) and has hot school meals, please ensure you update their year group and class for the 2019/20 academic year via the Chartwells website (see below).

Parents with children in Year 2

Do you want your child to have hot meals from Chartwells when they are in Year 3? Key Stage 2 children are not entitled to Universal Infant Free School Meals so you will need to book online two weeks in advance. Please visit:

<https://westsussex.mealselector.co.uk>

Lost Property

If your child has lost an item of clothing, or another of their belongings this term, please do take the time to come and search our lost property drawers in the main corridor by the office. Any unclaimed items will be recycled, given to charity or thrown away at the end of term. Thank you.

INSET Days

Monday 2nd September 2019 will be an INSET day and school will be closed. We will notify you of other INSET days, for next academic year, as soon as possible.

Governing Body Update - Summer Term 2019 from Bev Crowter

During the Summer term, the governors have been working hard on behalf of the pupils at Summerlea. We have been attending pupil progress meetings, assemblies, taking part in school trips, as well as a variety of in-school meetings with staff. Of course, this is a busy term for all the pupils taking their statutory tests in Year 2 and Year 6. Our governance team is increasing in size and quality with the appointment of several new governors this year. We thank these people for the efforts they are making towards supporting leaders at all stages of the school to continue on the journey of improvement. The stalwart team of governors that have been in office for the past four years continue to support and challenge the leaders of the school. Having been a governor for 4 years, 2 of which as Chair of governors, my term of office ends this month. I have thoroughly enjoyed my time at Summerlea and learnt an enormous amount. I am proud to say that the team of governors we have now is strong and robust. We have seen a clear improvement in progress for pupils and this journey continues. I have been offered a new role in a job I love, which is supporting pupils with varying degrees of special educational needs, so I shall be resigning from my role as governor at the end of July. Fortunately we have a strong team of governors, any of whom could stand successfully as Chair and you will be notified of who is elected early next term. In conclusion, I thank all the pupils, parents and staff at Summerlea for the continued support in the governing body of the school. I know that Summerlea will continue to develop 'thoughtful learners and independent thinkers' and have HEARRRT at the centre of everything it does.

dpdcoaching SERVICES

At DPD Coaching Services we are passionate about swimming and making sure every pupil gets what they want from their lessons. Established in 2001 and now covering West Sussex and parts of Surrey, all of our sites have the finest facilities to teach both children and adults, be it learning to swim or improving technique.

So if you're finding it hard to get lessons, dissatisfied with your current lessons or the teacher keeps changing from week to week then DPD Coaching Services can help you.

What do we offer

We offer lessons for all ages and abilities from children to adults so look no further we have the ideal lessons to suit your needs.

Group lessons - run in conjunction with the school term, small classes for faster progression and all classes work in line with the ASA certificate program.

Private Lessons - We offer one to one, two to one and three to one lessons at most of our venues.

Crash Courses - Intensive lessons for faster progression, run during the Easter and Summer holidays.

Home Tuition - If you have a pool at home then we can come to you.

Prices - Prices vary depending on location, call or email for more information.

Parent Carer Wellbeing Grant

This grant, which WSPCF manage with our partners at Carers Support West Sussex, continues to provide some amazing opportunities for a break from your caring responsibilities. Up to £200 is available to first-time applications (slightly less if you've received a grant before).

Applications are now closed for the summer, but if you'd like to be considered for a grant in the Autumn term, please email the office and we will send out an application form at the beginning of the new term.

SEND and Alternative Provision (AP) Call for Evidence

HM Government is inviting individuals and organisations to consider how the SEND and AP financial arrangements in England could be improved to help local authorities, schools, colleges and other providers in supporting children and young people with SEND and/or who require alternative provision or are at risk of exclusion from school. Full details of the consultation, together with a survey to fill out to have your say, are available at:

<https://consult.education.gov.uk/funding-policy-unit/funding-for-send-and-those-who-need-ap-call-for-ev/>

IGNITE

Ignite! is a project lead by WSPCF and University of Brighton. Ignite is a community that cares and takes action for good mental wellbeing in all children under 11 in Worthing. Our second event on 20th June showcased good local practice.

Please email ignite@wspcf.org.uk to join our mailing list and to ask more detail. Ignite

are planning to run a daytime and twilight session in the autumn term increasing access for families. A slide show of what we have achieved so far is available, please email office@wspcf.org.uk if you would like a copy.

PMLD Standards are now on the Local Offer.

The Profound and Multiple Learning Disabilities (PMLD) Core and Essential Service Standards are designed to create a way for everyone involved with PMLD people to work more effectively in partnership, ensuring the best possible outcomes for people being supported.

The Standards can be used in a variety of ways including as an audit tool and a means of having shared, common aspirations and high standards. WSPCF are involved in the PMLD Children & Young People working groups and we're delighted to see West Sussex promote and start to embed the Core & Essential Service Standards and all areas including schools and Short Break activities.

You can read them and share them with others from this link on the Local Offer **here**

https://westsussex.local-offer.org/information_pages/588-the-profound-and-multiple-learning-disabilities-core-and-essential-service-standards

Local Offer

<https://westsussex.local-offer.org/>

As you start getting ready for the summer holiday, where better to look for things to do than the Local Offer. We've been speaking to other Parent Carer Forums across the country and it would appear that our Local Offer in West Sussex is amongst the best in the country! That might have something to do with us asking YOU what you wanted it to include!! Check out their website and see what the local authority is investing into activities for children and young people with SEND.

<https://www.compasscard.org.uk/>

If you fancy a day out with a difference, check out the West Sussex Compass Card. Packed with lots of lovely offers, membership of the card also means that your child will be placed on the Disability Register...and that helps our local authority to plan and fund the activities that our children need the most. If you haven't got your card yet, check out the Compass Card page which tells you how to apply.

We'll be back in two weeks time, which will be our last newsletter until September. If you have any summer activities that you'd like us to promote, please send details to office@wspcf.org.uk and we'll do our best to include them.
