*'Growing thoughtful learners and independent thinkers'*

Monday 2<sup>nd</sup> December 2019

Dear Parents/Carers

## Celebration of Learning

As per previous communications, next Tuesday 10<sup>th</sup> December, the children and teachers would like to welcome you to our autumn term 'Celebration of Learning'.

You are invited to come into classrooms from 2.45pm to 3.15pm to share your child's work with them and to contribute to an evaluation.

The children have all been working incredibly hard and we are so proud of their levels of engagement with our creative curriculum, as well as their progress.

If you have more than one child in the school please visit your youngest child's class first and then make your way to the next year group. Once you have viewed your child's work, you and your child are free to leave - please notify their class teacher that you are taking them so that we can account for all children.

**If your child usually attends our After School Care Club and they will not require a place on this day please let the office know or ring 07981 350306.**

If you are unable to attend and would like to see your child's work at another time, please speak to your child's class teacher.

We look forward to seeing as many of you as possible.

Yours sincerely

*Helen Morris*
