'Growing thoughtful learners and independent thinkers'

Monday 16th December 2019

Dear Parents and Carers

Please find overleaf details of all of the clubs running in the Spring term. Please indicate on the form attached if you would like your child to attend any of the clubs and return the form to the School Office by **3pm Wednesday 18th December**.

A huge thank you to all staff who have offered their own time, energy and commitment to run clubs.

Teacher led clubs will start from the week commencing Monday 20th January and run until Friday 20th March 2020, unless otherwise stated. External clubs are running from Monday 13th January until Friday 27th March 2020.

A letter with further details, including payment information (if relevant), will follow at the start of next term should your child be offered a place at their chosen club/s.

We will do our best to accommodate everyone's first choices. Unfortunately, this is not always possible and clubs have limited spaces. Please encourage your child to choose more than one club as this will increase their chances of getting at least one of their choices.

Yours sincerely

Helen Morris
