'Growing thoughtful learners and independent thinkers'

Thursday 19th March 2020

Dear Parents/Carers

Following the government's announcement yesterday that schools will be closed to everyone except children of key workers and vulnerable children from Monday, as part of the country's ongoing response to coronavirus, I am writing to reassure you that we are working with our Governors and the Local Authority to put a clear and safe plan in place.

Examples of these workers include NHS staff, police and delivery drivers who need to be able to go to work. Vulnerable children include those who have a social worker and those with Education, Health and Care Plans.

Children who do not fall into these groups should remain at home with appropriate care.

A full list of key worker categories will be published by the Cabinet Office later today.

In the meantime, we are asking all parents to complete a simple survey as soon as possible to help inform our planning. Please submit this electronically or return to the school office by 8.30am tomorrow at the very latest.

This can be completed in hard copy (all children will come home with a copy today) or via our website. Please visit: Please visit our website <https://www.summerlea.w-sussex.sch.uk/> > Our School > School Improvement > Surveys > Parent Survey re Covid-19.

Thank you in advance for your support with this.

I will be in touch again as soon as I have further information.

Yours sincerely

Helen Morris
