

Year 3 Daily Activities - Day 2

Birthday Shout-outs!

We would like to wish Oscar B and Megan C in Elm Class a very happy birthday for today!!!!

Writing: More adverbs today! Follow page 11 to practice using the adverbs in addition, also, additionally and furthermore to open sentences using the ideas for horrible foods that trolls eat. Then move onto page 12 to try creating sentences using adverbs like interestingly, amazingly and surprisingly to open sentences. These adverbs are there to try to hook the reader and grab their attention. Amazingly, they usually work!

RE:

Last week in RE you heard the story of the good Samaritan in which a man was cared for by someone who would normally have been an enemy. This was in response to Jesus being asked "Who is my neighbour?". Think about your friends, and what it is that makes a good friend. We would like to come up with a "Recipe for Kindness" or a "Friendship Pizza" to show the different things that you think are needed to be a good friend. Maybe you need a pinch of fun or a slice of listening? You can decide on your own ingredients.

Maths: Continuing from yesterday we are going to think about adding and subtracting tenths today. Lets think about chocolate again (we love chocolate!).

1. Mr Burrows eats $\frac{1}{10}$ and Mr Burnett eats $\frac{2}{10}$. What fraction of the chocolate bar have they eaten?
2. If Mrs Gerring and Mrs Hawkins had both eaten $\frac{3}{10}$ of the bar, what fraction would they have eaten?

Complete these part whole models.

Now try creating your own part-whole models for someone in your family to complete!
