<p>White Rose Maths Lesson 2 Write Decimals</p>	 <p><b>Crazy Quotes</b> There are usually quotes from witnesses in newspaper reports too. This is when you write down what people say about an event. Here's what Barry said about me in the newspaper:</p> <p>"I never expected to see an alien in my field. It was the scariest moment of my life," Barry <b>told</b> the Farming News.</p> <p>★ You need to use speech punctuation when you write a quote in a newspaper, just like you do in your stories. To help you remember where the punctuation goes, use the steps below:</p> <p><b>Speech Toolkit</b></p> <ol style="list-style-type: none"> <li>1. Open speech with inverted commas: "</li> <li>2. Write what the person is saying</li> <li>3. Signal the end of the speech with punctuation: usually it's a comma but could be ? or ! (depending on what's been said).</li> <li>4. Close speech with inverted commas: "</li> <li>5. Say who said it. e.g. <i>told, reported, exclaimed, informed, stated, said.</i></li> <li>6. End with a full stop.</li> </ol>	<p>On the map of the UK below can you add these rivers...</p> <p>Thames Severn Trent Clyde Wye Mersey Tyne</p> <p>Do you know any more?</p>
