

Year 5 Daily Activities - Week 9 Day 2 - 09.06.20

Good morning Fabulous Year 5,

Happy Bike Week (6th - 14th June)

We know that lots of you have been jumping on your bikes during shutdown to help get your daily exercise. Have a look at the following website to find out more about Bike week - www.cyclinguk.org Happy cycling!

Maths

How did you get on with your Maths yesterday?

Today we would like you to complete Lesson 2 - Subtracting decimals with the same number of decimal places. Watch the video first and then complete the activities. Good luck!

Don't forget to continue login into TTRockstars and My Maths!

English - Meet the Rhi-swano-zeb-tah

Let's get writing!

Using the plan that you wrote yesterday now have a go at presenting your research and write your information text about your new creature.

You will have the rest of the week to finish writing, editing and then publish your information text, so please don't rush.

We can't wait to read them when they are finished.

Mini Project - (9th -11th June) Different Environments

For today, tomorrow and Thursday we would like you to research different environments.

Please research at least 3 different environments, we would love it if you could research more.

You may want to explore; Rainforest, Polar, Desert, Grasslands, Urban, Freshwater, Marine, Woodland

Please present your information in the most created way you can think of.
