

Year 5 Daily Activities - Week 9 Day 5 - 12.06.20

Hello Year 5,

We hope that you are all well and enjoying the home learning activities 😊
How have you been getting on with your random acts of kindness? We would love to hear what you have been doing at home and who you've been helping.

We hope you have a lovely weekend - keep safe and well 😊 😊 😊

Maths

Today we would like you to do the BBC Bitsize Challenges using the link on Class Dojo or the school website. Activities 1, 2, 3, 4 and 5 are suggested for Year 5 - but have a go at as many as you would like to!

Don't forget to continue login into TTRockstars and My Maths!

English - Meet the Rhi-swano-zeb-tah

Publish and evaluate!

Have a look at page 27 to give you ideas on how to publish your information book.

If you have time look at page 28 and evaluate your learning. What bits did you enjoy the most?

Don't forget to take a photo of your work and add it to your Dojo Profile page - we can't wait to read them! 😊

PE - You choose

For your PE activity today you can choose which activity (ies) you would like to do.

Choose from the following...

- Join in with a work out with Joe Wicks,
<https://www.youtube.com/user/thebodycoach1/featured>
- Jumpstart Jonny
<https://www.jumpstartjonny.co.uk/home>
- Comic Kids Yoga
www.youtube.com/user/CosmicKidsYoga or search for them on You Tube with a grown up.
- GoNoodle - Sign up for free access to the website
<https://www.gonoodle.com> or search for them on You Tube with a grown up.
Now have a go at creating your own dance up to some of your favourite music.
- How many football keep-ups can you do in one go?
- Create an obstacle course in your garden / in an open space
- Create a sequence of 6 different exercises. Don't forget to add a warm up and a cool down. Ask someone in your house to do them with you and give you feedback on what they liked, and what you could do to improve it further.
