

Year 5 Daily Activities-Week 10 Day 2 - 16.06.20

Good morning fabulous Year 5,

How quickly can you recite your 7 \times tables up to $12 \times 7 = 84$?

Can you beat your time and say it even quicker? What about saying it backwards? Now have a go at using the answers to say the inverse (division) questions e.g. 84 divided by 7 is 12.

Maths

How did you get on with your Maths yesterday?

Today we would like you to complete Lesson 2 - Multiply 4-digit numbers by 2-digits. Watch the video first and then complete the activities. Good luck!

Don't forget to continue login into TTRockstars and My Maths!

English - One Chance

Look at page 5 of the Talk for Writing home-school booklet and complete *The Mirror of Wishes*. Have a go at writing your own, copying the pattern but changing the characters.

Now look at page 4 - *The Mirror of Despair*.

Again, copy the pattern but change the characters.

Don't forget to put your poems up onto your

Dojo profile page - we would love to read them.

Mini Project - (15th -18th) Animals and their environments

How have you been getting on with your mini project? What environment did you choose?

Research what animals live in that environment? What specific features do they have to make them suited to that environment?

Please present your information in the most created way you can think of.
