

Year 3 Daily Activities - Day 5

Birthday Shout-outs!

We would like to wish Evelyn in Redwood Class a very happy birthday for today, and Luke and Summer in Chestnut Class for the weekend!!!!

Happy Friday Year 3! The end of another week! It has been great to see pictures of your Starburst activity coming in on Class Dojo- we hope you had some left over to eat! This week we would like you to try to get hold of a bar of soap ready for an activity next week- just one ordinary bar of soap if you have one spare. We will use this for our activity on Wednesday next week. Enjoy a break from home learning over the weekend- if you want to share any pictures of what you get up to when you are chilling out, we would love to see them and share them to give some inspiration to others!

Writing: Today we would like you to work on page 13 of the Talk for Writing booklet which is all about adding EVEN MORE detail! This is what real writers do! Today think about adding more to your sentences by using *because*. You can also have a go at playing with your sentence structure by re-ordering your ideas. There are some good examples of this in the booklet- example 1 and 2 use the same ideas, but in a different order. As you do this, think about the effect this has on the reader- which do you think is more powerful? Enjoy!

Maths: Today we would like you to use the BBC Bitesize Challenges using the link below. Activities 1, 2, 3 and 4 are suggested for Year 3- but have a go at as many as you would like to!

GEOGRAPHY: AGAIN!!!!

With all of our thinking about the South Downs National Park and field sketching, we thought it would be good today to think about the Countryside Code. We would love you to find out about the Countryside Code and think of a good way to share information about it with others- a poster, an animation, a video, a set of drawings- be creative! This is a fun video (made by the same people responsible for Wallace and Grommit) that helps to highlight some of the key issues that the Countryside Code deals with.
