

Year 1 week 11 day 2 23.06.20

Good morning Holly and Oak Class. I hope you are all well – enjoy today's activities.

Maths

Please follow the link to today's learning –
White Rose Lesson 2: Subtract within 20

English

Please reread the story of Brian Bear's Picnic. Can you learn a section to read aloud by yourself to your grown-ups? You could try reading the first few lines, or your favourite part. Try to add expression to make the story exciting to listen to. Then please complete pages 6 and 7 of the Talk for Writing home-school booklet.

Other learning

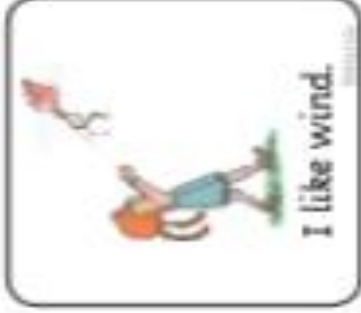

Remember the e-book from yesterday?

Year 1 22/06 -
26/06 Daily
Continuation of
Learning Activities

You may want to have another look before having a go at the following activity. Maybe you can work with a brother/sister or a grown up. We have added this to the continuation of learning page on the Summerlea School website (where you usually find the learning for the day posted).

Have fun discussing the activity!

Venn diagram. Anything you both like goes in the middle. Anything that neither of you like goes outside of the circles. You can also add your own ideas.

We Are All Different: You and Me Venn Diagram
