

Year 1 week 11 Day 3 24.06.20

Good morning Holly and Oak Class. Here is a joke for you – answer at the bottom of the page...

What do you call a bear with no teeth?

Maths

Please follow the link to today's learning –

White Rose Lesson 3: Add and subtract worded problems

English

Please complete page 8 of the Talk for Writing booklet.

The focus is on 'collective nouns.' This describes a group or collection of people, animals and objects.

Please complete the page and then see if you can find out what things these collective nouns describe groups of.

A labour of ...

A quiver of ...

A hand of ...

A parliament of ...

A pride of

A crash of ...

A pod of ...

Maybe you could try to make up some of your own?

Other learning

Over the next 3 days we are setting you some work on continents and the oceans. You will learn about the oceans and continents and we would love you to create a model / piece of art work to show their position on Earth. I don't mind how you present your art, so get creative.

We have attached some ideas to inspire you. 😊

Complete the worksheet each day and then spend some time on your art project – I can't wait to see in which way you choose to show the continents and oceans of the world.

Today please view the power point on the continents of the world. You then label each continent on the attached sheet.

The power point can be found on the continuation of learning page on the Summerlea School website (where you usually find the learning for the day posted).

You can also print off a copy of the map if you want to use the images as part of your art project.

Joke answer – A gummy bear (I know a song about that...)

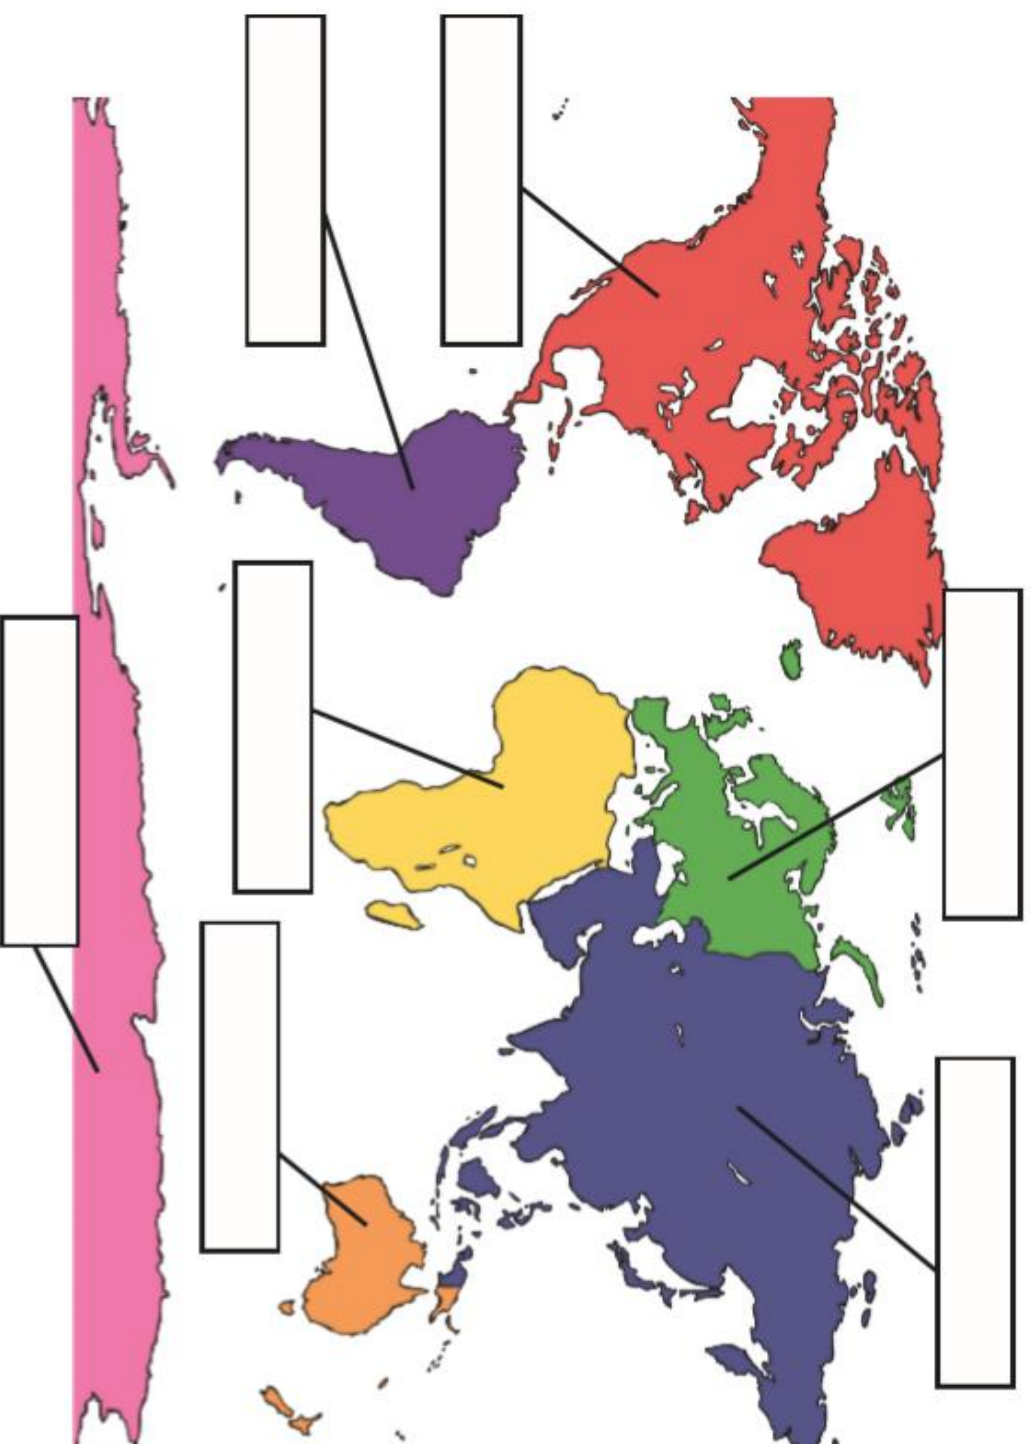

Art ideas!
