

Year 3 Daily Activities - Day 2

Writing: Today you should continue with your explorer log writing that you started yesterday. Make sure you add colour to your jungle pictures that you include.

Maths: Today we would like you to complete the next White Rose maths lesson - Multiply 2-digits by 1-digit. Watch the video and then have a go at the activities.

MUSIC:

Today we would like you to link our learning about charity from yesterday to music. Over the years there have been lots of songs recorded to raise money for charity. We would like you to find and listen to two or three songs and to find out about the causes that they were raising money for. Here are some suggestions to get you started. One of the videos was filmed nearby as a song for Sport Relief- see if you can spot a familiar face...
