

Year 3 Daily Activities - Day 3

Writing: Today we would like you to work on pages 15, 16 and 17 of the Talk for Writing booklet. You will need to come up with your own idea for a mysterious creature that you might like to see up close. Then draw a trap that you could use to lure the creature in. Think about how you would tempt this creature... what would it like to eat or have that you could bait the trap with...? Enjoy!

Maths: Today we would like you to complete the next White Rose maths lesson - Divide 2-digits by 1-digit. Watch the video and then have a go at the activities.

HISTORY/ DT:

Today we are going to use your bar of soap to have a go at "flint-knapping"! Flint knapping is the process of chipping away at a larger piece of flint with another to gradually shape a tool or weapon. We can't use flint for this- but we can use soap instead! It works really well! Mr Burrows has made a video to show you what to do- you can find it on your Class Story on Class Dojo. The best news of all is that you will all smell wonderful afterwards! Enjoy this little trip back to the Stone Age!
