

# Year 3 Daily Activities - Day 4

Writing: At the bottom of page 17 of the Talk for Writing booklet you will find a list of key ingredients for you to include when writing a set of instructions similar to the example for catching the Soupee Bird. Use the planner on page 18 now to plan the structure of your set of instructions for catching your mysterious or elusive creature from yesterday.

Maths: Today we would like you to complete the next White Rose maths lesson - Scaling. Watch the video and then have a go at the activities.

## FRENCH:

Continuing on from our French food vocabulary- have a go at this wordsearch today- how many of the foods can you find? How many of them do you know in English?
