

Year 1 week 11 Day 5 26.06.20

Good morning Holly and Oak Class. We hope you are well and happy! Enjoy today's learning.

Maths

Please choose a challenge from the BBC Bitesize Friday Maths challenges for today's learning.

English

Please complete page 11 of the Talk for Writing booklet.

You need to plan your perfect picnic!

When you have planned this ask a grown up if you can pack these items and go on the picnic over the weekend. You could send a picture of your picnic on Class Dojo 😊

Whilst you are on your picnic could you play one of these games as a family:

Eye spy

Silly stories – take it in turn to tell the the next part of the story!

The alphabet game – choose a category, for example 'foods,' 'animas' or 'countries.'

Take it in turns to name something from that category as you go through the alphabet

For example, if the category was 'foods' it may go something like this: apple, banana, chips, doughnut, eggs...

Or choose another of your favourite games. Have fun.

Other learning

Please spend today finishing your art project on the continents and oceans. We would love to see photos of your finished work so please post them on Class Dojo and then we can celebrate each other's work. 😊

Remember to give us permission to share your work with the class.
