

Year 3 Daily Activities - Day 5

Birthday Shout-outs!

We would like to wish Mollie in Redwood Class a very happy birthday for this weekend!

Well done on another week of learning from home Year 3- you are stars for keeping on going and showing such perseverance throughout this whole time! We are so proud of you all! For next week we would love you to try to get hold of one or two clear plastic bottles of around 500ml. It will be for Monday (and Tuesday). If you can get one, don't worry- you will be able to use any clear container.

Writing: Today we will complete the work for this Talk for Writing booklet. Your main task today is to write your set of instructions for catching your mysterious creature- whatever it may be! There are also so suggestions for more writing ideas linked to this unit, so have a go at one or more of them if you have time. There will be extra Dojo points for anyone who goes that extra mile!

Maths: Today we would like you to use the BBC Bitesize Challenges using the link below. Activities 1, 2, 3 and 4 are suggested for Year 3- but have a go at as many as you would like to!

ART:

Hand art. Today we want you to be creative- with your hands!
Draw around them and decorate the hand, try some hand-printing
by dipping your hand in paint and making a design... the list could
be endless! Here are a few ideas to whet your appetite!
