

Year 5 Daily Activities-Week 12 Day 2 - 30.06.20

Hello fantastic Year 5,

How quickly can you recite your 8 \times tables up to $8 \times 12 = 96$?

Can you beat your time and say it even quicker? What about saying it backwards? Now have a go at using the answers to say the inverse (division) questions e.g. 96 divided by 8 is 12.

Maths

How did you get on with your Maths yesterday?

Today we would like you to complete White Rose Lesson 2 - Add fractions.

Watch the video first and then complete the activities. Good luck!

Don't forget to continue login into TTRockstars and My Maths!

English - One Chance (Talk for Writing)

Today we would like you to plan your own wishing story.

Complete the table on page 23.

Who are your main characters?

What object do they find?

What are the consequences?

Good luck - we can't wait to see them.

Mini Project - (29th June - 2nd July) Create your animal

How are you getting on with your mini project? What materials have you chosen to use to create your animal?

Don't forget to present your animal in the most created way you can think of. This could be in by using papier-mâché, paint, crayons, play dough, sewing, using junk modeling, making it into a cake, painting, etc. Or several of these ways if you can.

Please remember to post a picture of your completed animal onto your Dojo profile page - we can't wait to see them! 😊
