

Welcome to July! We are very much in the middle of summer now. Can you remember all the different season's names? Which one is your favourite?

English

Please complete page 14 of the Talk for Writing booklet "Brian bear's picnic"

Also, if you like the ingredients have a go at making the Teddy Bear Toast on page 15. If you don't like those ingredients could you create bear toast with different toppings?

Can you also correct my sentences below for an extra challenge? Look out for spelling mistakes too!

Sum of Holly and oak class are doing excellent learning from home

At school, mrs robins and mrs Edwards are teaching some of holly and Oak Class

On Saturday i is going to take mi dog bear for a walk in the woods.

Maths

Please follow the link to today's learning:

Lesson 3 - measure length 2

You will need a ruler for today's lesson - you can use a tape measure if you have one - they are great for measuring round objects too.

If you don't have a ruler, you could print one off from on line or choose another standard object to measure with, like pieces of pasta, cubes or hands.

Other learning :

These activities are for you to do over Wednesday and Thursday.

You have now looked at the geographical features that can be seen around our coastline.

Why don't you take a walk to Littlehampton over the next two days?

Remember to stay safe near the water and wear plenty of sun cream and wear a hat!

What do you think you will be able to see?

Look back at the pictures of Victorian Littlehampton. There are some more below.

What is the same? What has changed?

Why not take some pictures or be artistic and draw a picture of what you see?

We would love to see what you find.

The Parade, Littlehampton.

The Harbor, Littlehampton, England, 1890's
