

Continuation of learning Year 1 week 12 day 5 03.07.20

It's the end of another week! We hope you have enjoyed the activities this week and have found out lots of geographical facts about our local area. If you go out over the weekend see what other human or physical features you can spot at the places you visit.

English

Please complete pages 17 and/or 18 of the Talk for Writing booklet. You can choose to do both of these of your favourite activity from the 2 choices.

If you follow this link you can learn how to draw a teddy bear! Copy and paste the link into your browser bar 😊

https://youtu.be/D78RY-3BE_o

Please also review your learning on page 19.

Maths

Please choose a challenge from the BBC Bitesize Friday Maths challenges for today's learning.

Other learning:

A nice chilled activity. Can you decide which features belong with each picture. Look back at Monday's to help you.

Happy Weekend!
