Year 2 Daily Activities

Writing: (Talk for Writing home-school booklet Unit 5)

Today we are going to look at Reading challenge 1 and 2. You can listen to or watch a video of the poem being read by clicking on the links at the top of p.4

Have a go reading challenge 1 and 2.

Maths:

Play 'Guess my number' with a friend or family member. Ask your partner to think of a 2-digit number. Ask them questions like, is it odd? Does it have 5 tens? They can only answer yes or no! How many questions until you work out the number? Don't forget to swap so they can have a turn!

Topic: So many of you said how much you enjoyed learning about oceans on World Ocean Day. Here is the link that we posted www.worldoceanday.school. This time, could you make a poster about plastic waste in our oceans? What can you put on your poster to encourage people not to drop litter or to help our oceans?
