*'Growing thoughtful learners and independent thinkers'*

Friday 25<sup>th</sup> March 2022

Dear Parents and Carers

Well, Spring has certainly sprung this week and long may it last! It's been lovely to be able to enjoy the sunny weather and appreciate the signs of Spring around our school grounds. A huge thank you to the green-fingered Mr and Mrs Saunders who do such a great job of maintaining the gardens all year round.

### Comic Relief and Ukraine

I am delighted to be able to let you know that we raised a brilliant £340.20 for Comic Relief last Friday through our dress-up day. Thank you for your support for this worthwhile charity.

We have also been informed by Astra Recycling that last week they sent **15 tons** of aid to Ukraine. They said the outpouring of love and generosity from all communities has been overwhelming. A big thank you to everyone who donated to their #MarchforUkraine campaign.

### Dragons' Den market

A reminder that the Dragons' Den market is now scheduled to take place next Friday 1<sup>st</sup> April. As per the original arrangements communicated, each class will have an opportunity to visit the stalls during the school day. All products will range from 50p-£2. We are asking that if your child wishes to purchase an item from the market, they bring up to £2 in small change in a named and sealed envelope. If you have any questions about this, please do speak to your child's class teacher. (Money previously sent into school for this event has been kept in our safe and will be returned to children on the day.)

### School uniform and PE kit

A few parents have asked recently whether we will be returning to children coming to school in uniform and changing into PE kit at school on PE days, as used to happen prior to the pandemic. I have decided that we will return to this from the start of the new academic year in September 2022. The reason for not doing so straight away is to allow parents ample notice to purchase uniform and PE kit (including PE bags) as necessary, as I know our uniform suppliers reported changing patterns in purchases over the past two years linked to our Covid-19 measures. It is important that children look smart and come to school in the correct uniform, ready to learn, and I hope a return to this next academic year will help us to maintain the highest possible standards in this area. In the meantime, please ensure your child is wearing the correct uniform / PE kit as per our policy. To clarify, for the remainder of this year children

should continue to come to school wearing PE kit on PE days. Thank you for your support and understanding with this. Another reminder about the change will be sent closer to the end of the school year.

### Staffing news

I am sorry to have to let you know that Mrs Wright (Finance Assistant) has made the difficult decision to resign from her role after almost 11 years at Summerlea. She has been offered a position as Senior Pensions Administrator and unfortunately (for us!) it was an opportunity too good to refuse. Congratulations to Mrs Wright on securing this role. I would like to take this opportunity to thank Mrs Wright for everything she has contributed to our school, staff, parents and pupils during her time here. The school and office simply won't be the same without her. Her last day at school with us will be Friday 29<sup>th</sup> April so do pop in to say goodbye before then.

### A few important notices

#### **Medicines in school**

It is essential that any medicines children require in school come through the main office and not via class teachers / classrooms. You will need to complete a form to aid administration and medicines can then be stored safely.

#### **Hot school meals**

On the first day of the summer term (Monday 25<sup>th</sup> April), after the Easter holidays, Chartwells will only have jacket potatoes on their menu.

#### **Cool Milk**

If your child has cartons of Cool Milk in school, please be aware that the cost is increasing on 1<sup>st</sup> April from 24p per day to 25p.

#### **Communication box**

A reminder to all parents to please make use of our communication box if you have any correspondence for the school office such as consent forms, other documents, monies etc. The box is secure, checked daily and situated in the wall on the right-hand side of the doors to the main entrance as you come into the school.

#### **Class Dojo policy**

If you have a concern or complaint we ask that you speak directly with the class teacher about it. However, you may message to say that you would like an appointment to speak to them either by phone or face to face. Please refer to our Class Dojo policy on our website for further guidance by going to School Information > Policies.

### Draft Education & Skills Strategy Consultation – Parent/Care Engagement

Please see the message below from Paul Wagstaff (Assistant Director – Education and Skills at West Sussex County Council):

*Dear parents and carers,*

*West Sussex County Council are developing a new three-year Education & Skills strategy outlining how the County Council will support the learning of children and young people across West Sussex from early years to adulthood. To help inform and develop the draft strategy, we would be grateful if you could take a few minutes to complete a short survey which is open from now until 3rd April 2022 via the following link: Education & Skills Strategy Survey -*

*<https://schools.westsussex.gov.uk/Article/97640?source=Newsletter&guid=1943EECB-6B16-42D0-9CD0-1FB75A53E81A>*

*If you are yet to complete the above survey, which is open until 3rd April 2022, we would welcome your participation.*

Let's hope the sun continues to shines this weekend.

Yours sincerely

*Helen Morris*
