'Growing thoughtful learners and independent thinkers'

Monday 4th April 2022

Dear Parents and Carers

Please find overleaf details of all of the clubs running this summer term which are now also open to EFYS children. Please indicate on the form attached if you would like your child to attend any of the clubs and return the form to the School Office by **3pm Friday 8th April 2022**.

A huge thank you to all staff who have offered their own time, energy and commitment to run clubs.

All clubs will start from the week commencing Monday 9th May and run until Friday 8th July 2022, unless otherwise stated.

A letter with further details, including payment information (if relevant), will follow should your child be offered a place at their chosen club/s.

Following such high demand for club places in the last two terms, children that haven't attended a club so far this year will be given priority. We will do our best to accommodate everyone's first choices. Unfortunately, this is not always possible and clubs have limited spaces. Please encourage your child to choose more than one club as this will increase their chances of getting at least one of their choices.

Yours sincerely

Helen Morris

Glee Club run by Joel Horne, This Charming House

We are delighted to welcome the return of our very popular Glee club. Running for 10 weeks a term, we meet after school every Thursday to join together and sing for the love of singing. Covering a vast range of songs, old and new, there will be opportunities for students to perform in concerts, and as part of bigger shows. Our Glee club has performed across the district and has even taken to the stage at the O2 arena. This year we welcome This Charming House's Joel to lead the club and it's sure to be full of fun and lots of smiles!
