Dear Parents and Carers

It is hard to believe we have already reached the end of another half term. It seems to have been a particularly busy one and we have fitted so much into just five weeks!

As you know, last week our Year 6 children either attended a residential trip to Wales or took part in a range of activities in school and around the local area. All of the children represented our school brilliantly and we are really proud of them and all they achieved – many pushing themselves out of their comfort zones and trying new things. They have returned to school a few inches taller this week and we look forward to continuing to make their last few weeks in school happy and memorable whilst ensuring they are secondary ready when they leave us. A huge thank you to all of the staff who volunteered to attend the residential and supported during the activity week and thank you also to parents and carers for your support and positive feedback.

There have also been lots of other trips and visitors to our school this half term, all of which help to bring our curriculum alive. EYFS had a 'fizz pop' science workshop, Year 1 visited Arundel Castle, Year 3 have been to Butser Ancient Farm and Year 5 braved the elements this week and walked back from Littlehampton Beach. Next half term Year 4 are off on their residential to Lodge Hill and Year 2 are going to Tilgate Park. We also have lots of other exciting days and events to look forward to which will be detailed in our summer 2 curriculum guides so do look out for these.

### Attendance

We do expect all pupils to arrive on time every day. In school, we recognise good attendance and will always do all we can to support families in achieving this. Research shows that regular attendance and good punctuality play a huge part in children achieving their full potential at school, both socially and academically, and later in life. Any child who has 90% or lower attendance is classed as **persistently absent**. We analyse our attendance figures regularly and may contact you to inform you of our concerns as well as to give you an opportunity to discuss any barriers there are to children being in school and on time. Of course, it goes without saying that if children are ill then they should not be in school. However, if we have ongoing concerns, we may ask for a face-to-face meeting with you or medical evidence. Currently it is a big well done to Year 4 who have the best attendance across the school!

### The Queen's Platinum Jubilee commemorative book and coin

All primary aged children in state-funded schools across the country will be receiving a free commemorative book. This celebrates the Queen's Platinum Jubilee year and achievements of the United Kingdom and Commonwealth over the last 70 years. These books are due to be distributed to schools by Monday 11<sup>th</sup> July and will be sent home with the children once they arrive.

In addition, in celebration assembly today children were presented with a special Jubilee coin by members of Rustington Parish Council. We hope they will really treasure these for years to come.

### Staffing news

Congratulations to Mr Bailey (Class Teacher) and his partner who are expecting their first baby in September. Mr Bailey intends to take two weeks paternity leave at the start of the new academic year and we look forward to hearing news of the new arrival!

Congratulations also to Mrs Steward who has been appointed as permanent and full-time Receptionist and Administration Assistant. Mrs Steward has done a fantastic job on the front desk this half term and we are delighted that she will be remaining as part of the office team.

Earlier this week we interviewed for a class teacher and are extremely pleased to have appointed Miss Kirby Misselbrook to start with us in September. Some of you may remember and know Miss Misselbrook already, following her previous role with us as Individual Needs Assistant, prior to her leaving to complete her teacher training. Congratulations to Miss Misselbrook and we look forward to welcoming her back to our team!

I am sorry to have to let you all know that Mrs Maxted (School Business Manager) will be leaving Summerlea at the end of this academic year. She has been successful at interview at St Mary's CE Primary School, Washington. This is a part-time role, allowing her more flexibility and time with family. I would like to take this opportunity to thank Mrs Maxted for the contribution she has made to our school (governors, staff, parents and pupils) during her time in post. She has been an excellent School Business Manager and a great support to me as Headteacher and finding a suitably experienced replacement will be a no mean feat. I am sure you will join me in wishing Mrs Maxted congratulations and every happiness in her new role.

Mrs Mills has made the difficult decision to retire from her position as Teaching Assistant at Summerlea at the end of the summer term after 22 years here and 26 in the role. Mrs Mills now feels the time is right to enjoy spending more time with her grandchildren whilst she still has the energy (her words not mine!) During her time here Mrs Mills says she has been lucky enough to have made many wonderful friends, both past and present and has enjoyed the most amazing treasured times, filled with fun and laughter - not to mention an incredible 13 residential trips! It goes without saying that we shall miss Mrs Mills hugely and I would like to take this opportunity to thank her for everything she has contributed to our school, pupils, staff and families during her many years in post. I am sure you will join me in wishing her every happiness in her retirement.

Miss Short (Individual Needs Assistant) is also sadly leaving us towards the end of June as she has been offered a position at Arundel Surgery. I would like to take this opportunity to thank Miss Short for all she has done for the different pupils she has supported so skilfully in her role and wish her all the very best for the future.

Mrs Arnold (Class Teacher) will be leaving at the end of the summer term. She was successful at interview this week and has been appointed as Class Teacher at Heene Church of England Primary School in Worthing, which is closer to her home. Congratulations to Mrs Arnold and thank you for all of your hard work over the past five years.

Miss Barnard (Class Teacher) is also leaving as she is ready for a new adventure! Thank you also for all you have done, and we wish you every happiness in whatever you decide to do next.

I will now be looking to fill vacancies and parents will be informed about new appointments and staffing arrangements, once these have been finalised, ahead of transition day in July.

Wishing you all a happy half term and I hope you enjoy the Jubilee Celebrations at the end of next week. School reopens on Monday 6<sup>th</sup> June and I look forward to seeing you and the children then.

Yours sincerely

*HELEN MORRIS*

# Internet School Meal Ordering System User Guide

Meals must be ordered by midnight on the Sunday, one full week in advance of eating.

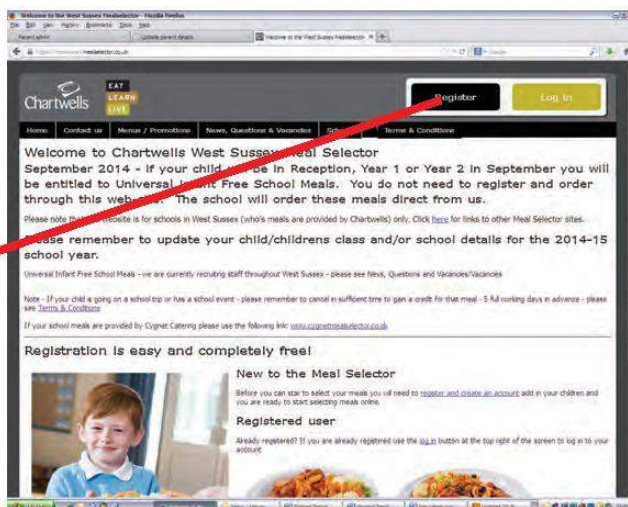

Connect to the Mealselector web site by typing [www.mealselector.co.uk](http://www.mealselector.co.uk) in the Microsoft Internet Explorer address area.

If you are using the web site for the first time you will need to register - the process is very simple.

You will need to answer a few question about yourself and then about your child or children.

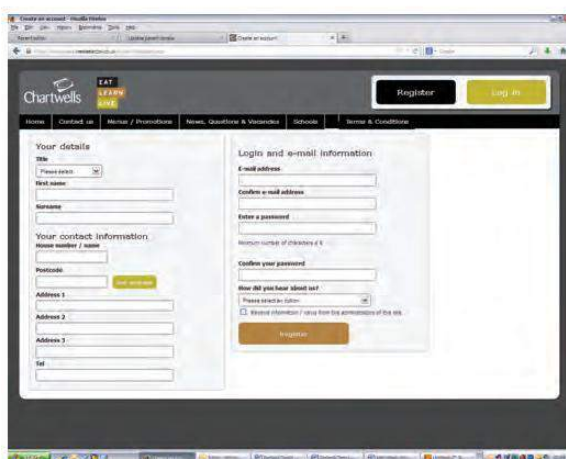

Click the 'Register' button.

If you have more than one child and they are at different schools, you will **NOT** need to register twice, just add the additional child to your profile.

Enter all of your details on the form.

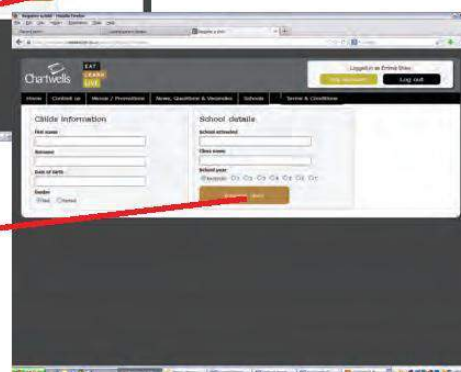

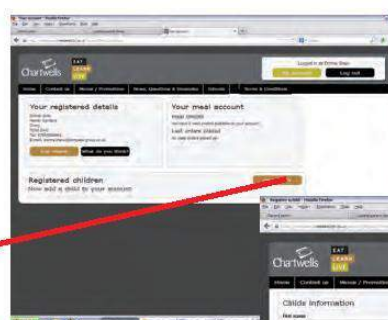

Choose a password that is easy to remember and then click the button to process your registration. This will then show you a summary of what you have entered, if any details are wrong you can edit them.

After registering your details you will now register your child or children's details, do this by clicking the 'add a child' button.

Please ensure you enter all details (class and date of birth).

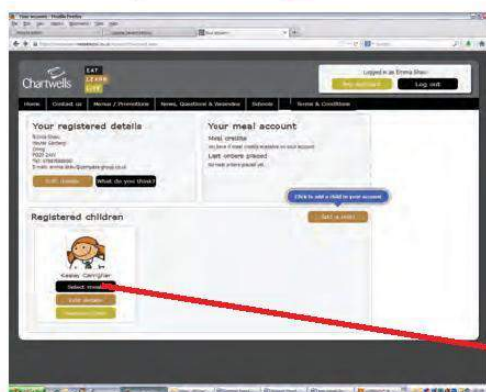

The click 'Register Child'.

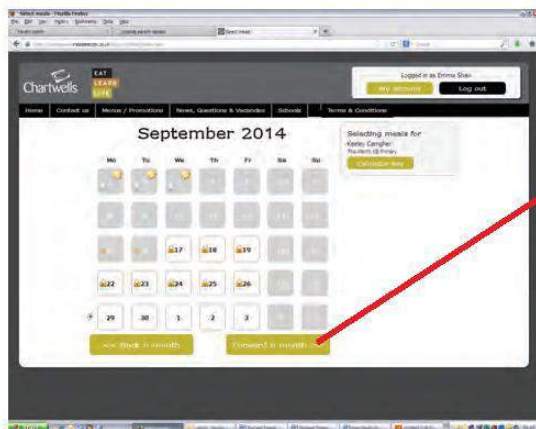

You will now see an overview of the details you have entered (You may change any of your details).

To add another child you will need to click on the 'add a child' button. (You will then need to enter details for your second child).

To select meals for your child you will need to click on the black 'select meals' button, this is located under your child's name.

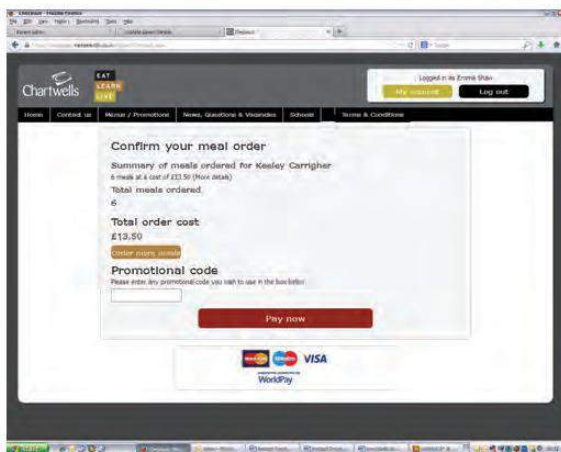

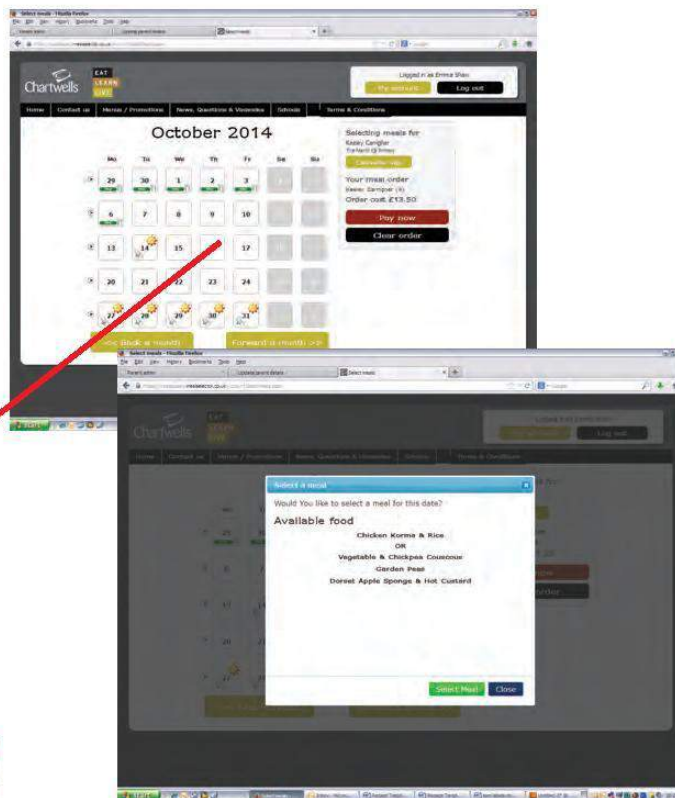

The screen will open to the calendar on the current month. The month can be changed to previous or forthcoming months by selecting either of the buttons at the bottom of the calendar:

To order meals simply click on the date that the meal is required.

A new screen will appear showing you the menu for that particular day. You will need to confirm you wish to order this day by clicking the 'select meal' button.

When you have selected the meals that you want to order the screen will look like this - (Note that you do not have to order for a complete week and can select any days you wish - **there is no minimum order**).

Once the meals are selected you will need to click on the 'Pay Now' button which is on the right hand side of your screen.

The order summary shows the total number of meals ordered and the amount you will need to make payment for. If you have any credit meals from cancellations you have made through the web site the amount will be deducted from your total payment.

You must proceed to the payment section for the selected meals to be reserved for your child or children.

The payment section is a secure site managed by WorldPay, and therefore we show images.
