Dear EYFS Parents and Carers

I am writing to provide an update regarding Miss Camble's absence, after her sickness certificate was extended until the end of this week.

I am pleased to be able to let you know that Miss Camble is starting to feel much better and is intending to return to work next week. It has been recommended that she has a phased return initially and that she begins by being in school for half days, gradually working up to full time as she feels ready to do so.

Next week Miss Camble will be in school on Tuesday, Wednesday and Thursday morning and Friday afternoon for sports day. She is also hoping to come in and see the children on Monday, following an appointment.

When Miss Camble is not in school, her absence will be covered by supply teachers and we will continue to try to provide the best possible consistency for the children.

I know Miss Camble has been missed by children and parents alike and we look forward to seeing her back at work next week.

If you have any questions, or concerns, please do not hesitate to speak to a member of the EYFS team.

Thank you for your understanding and support.

Yours sincerely

*Helen Morris*
