'Growing thoughtful learners and independent thinkers'

Friday 16th September 2022

Dear Parents and Carers

The Passing of Her Majesty, Queen Elizabeth II

As a school, we are deeply saddened and send our heartfelt condolences to The Royal Family on the passing of Her Majesty Queen Elizabeth II. Our community has been busy this week drafting messages of condolence for The Royal Family which will be made into a card and kindly taken to London to be laid outside Buckingham Palace this weekend.

As per my message on Class Dojo at the start of this week, next Monday 19th September has been declared a bank holiday having been announced as the official date of the State Funeral. As such, the Department for Education have confirmed that schools will be closed on this day as a mark of respect.

New start time

As you will be aware, following a consultation period last half term, the length of our school day has now changed. Gates open at 8.20am and close at 8.30am when registers are taken and the school day officially begins. School finishes at 3pm as before. Please ensure your child arrives at school on time. Any children arriving after 8.30am are late and will need to enter via the office and sign in.

Please be mindful that Learning Support Assistants (whether Teaching Assistants or Individual Needs Assistants) are not contracted to start work until 8.30am.

Allowing parents to walk in either direction around the school (rather than following a one-way system) seems to be working well. A reminder to please make sure your child/ren stay with you, rather than running ahead, and that bicycles and scooters are not ridden on the school grounds.

Clubs

Clubs start next week for children in Years 1 to 6. If, for any reason, your child will not be able to attend, please ensure you let the adult running the club know or contact the office so that this message can be passed onto them.

If your child did not get into at least one club due to them being oversubscribed then please be assured that they will be given priority for a club in the spring term.

A huge thank you again to all of the staff that have offered to run clubs this term in their own time - we were really pleased to be able to offer such a wide range of before and after school extra-curricular activities for the children.

Year group Welcome Meetings

Thank you to everyone who has attended our year group welcome meetings last week and/or this week. We hope you found them useful and informative. Copies of the presentations shared are being uploaded to Class Dojo and our website. Please do get in touch with your child's class teacher if you have any questions or require a hard copy.

Curriculum guides and homework

Curriculum guides and homework were published at the end of last week. Curriculum guides were sent out via ParentMail and homework in hard copy via the children. Hard copies of all documents are available from the main reception area and can also be downloaded from our website. Both documents include lots of important information, including key dates and events, so do take the time to read them and if you have any questions please contact your child's class teacher.

Staffing news

Elder Class pupils and parents were informed at the start of this week that Mrs Robins (Year 5 class teacher) is going to be leaving Summerlea later this term after 20 years! Although we will all be very sad to say goodbye to Mrs Robins, we are also delighted that she has gained a well-deserved promotion to the role of Key Stage 2 Phase Leader, as well as Year 5 class teacher, at Woodlea Primary School in Hampshire. I am sure you will join me in wishing Mrs Robins many congratulations on her appointment. We are now in the process of recruiting a new full time class teacher to take over from Mrs Robins. Mrs Robins has had the privilege of teaching her current class in Reception and Year 4 also. I would like to take this opportunity to thank Mrs Robins for all she has contributed to our school during her time at Summerlea. She has touched the lives of so many children and I know she will miss everyone greatly and leave us with many fond memories.

Pets as Therapy

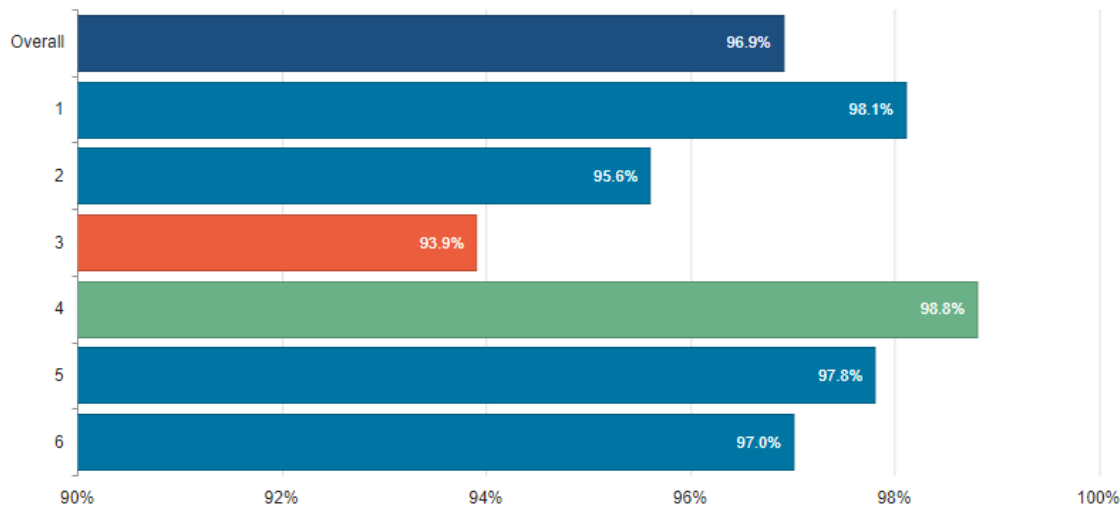

This term we are really excited to be working with the charity Pets as Therapy. One of the schemes that the charity runs is 'Read2Dogs' aimed at supporting children to improve their reading and communication skills. We are delighted to welcome Nanna, a 10-year-old golden retriever and her owner Gaynor. The duo will be volunteering in school on a Tuesday afternoon to work with a targeted group of pupils and parental consent will be sought prior to this. We know that Nanna is going to be a huge hit with both our children and staff! Pets as Therapy have clear guidance and risk assessments in place, as do we as a school. If you have any questions or concerns, then please do not hesitate to contact us.

Parking and road safety

We very soon hope to have a pupil action group working on how to improve road safety and parking around our school. We have noticed that we have a number of cars parking unsafely; across the zig zags, on yellow lines, on the roundabout and double parked. We are concerned that by parking like this you are risking a child being seriously injured or worse. We encourage you all to make a note of the vehicle make, model, registration and colour as well as location and report it to Operation Crackdown www.operationcrackdown.org at Sussex Police. The more people who report concerns, the bigger the impact. Occasionally, a member of staff may have to remind parents or carers to park safely in which case we would like to remind you that the parent / carer code of conduct would still apply. This can be found on our website: www.summerlea.w-sussex.sch.uk under 'School Information > Policies'.

Attendance and punctuality

Following on from the letter about attendance and punctuality earlier in the week, we will be keeping you regularly updated in our newsletters. The graph below shows the overall and individual year group attendance from the start of term up to 15.9.22. Well done to Year 4 for particularly great attendance so far!

Summerlea does Instagram!

We now have a school Instagram account where we want to capture all of the amazing things we do day to day, as well as any special events. You can find us on Instagram at “summerleahearts” so please do follow us and spread the word! You can also follow us on Twitter as before, also @summerleahearts

Communication box

Our communication box is directly outside the main entrance to the school office. This is a secure place to leave letters, return slips, monies etc. and is checked daily. Please do make use of this to avoid congestion and waiting in reception if at all possible.

After School Care Club (ASCC)

Please ensure you let ASCC know if you no longer require a place for your child. You can contact ASCC on 07521 734333 or via the office. If your child is attending ASCC then it is important you have read our policy and returned the enrolment forms – even if your child has attended previously. Places at ASCC can be booked on a regular or ad hoc basis so please do get in touch if you are interested in your child attending. Thank you.

Lost property

We seem to have accumulated a huge amount of lost property over the past few months and our lost property drawers are overflowing! Next week we will put all of our lost property out on display on tables outside of the hall after school (weather permitting!) and anything not claimed will either be added to our used uniform sale items or recycled via the clothes bank so please do come and take a look (please note all items in lost property are unnamed). Please ensure all clothing is clearly named - initials if not the name in full are better than nothing.

We also found an orthodontic retainer and a pair of glasses in a case at the end of last term – we know these can be particularly expensive items so if you think they might be yours please contact the office.

No nail varnish

A reminder that children are not allowed to wear nail varnish in school so please ensure this is removed. Thank you for your support.

Secondary school places

Important documentation was sent home last week to Year 6 parents and carers from the Pupil Admissions Office at West Sussex County Council regarding children transferring to secondary school in September 2023. Please ensure you have received and read this, and contact our school office if you have any questions. If your child will be attending secondary school open days then please remember to advise the school office in advance so that we are aware for register purposes.

Calendar of events

Please see attached our calendar of events, which is back by popular demand! This includes our INSET days for this academic year, term dates and key events happening this autumn term.

Open Day tours for prospective parents

Our dates and arrangements for open day tours have now been published. Please visit our website to find out more or contact the school office. We look forward to welcoming visitors to our school!

Wishing you a peaceful weekend. We look forward to welcoming all children back to school on Tuesday 20th September next week.

Yours sincerely

Helen Morris
