'Growing thoughtful learners and independent thinkers'

Friday, 12 May 2023

Dear Parents and Carers,

Glad to see the sun shining!

Since the last newsletter, we have been taking part in exciting events such as the Coronation Picnic - where your children were an absolute credit to you all. Thank you to all the entries in the art competition too - I had the 'honour' of selecting only 4 entries - I probably could have chosen at least 20 as deserved winners! Thank you for all the support with this and for those of you who attended the exhibition, I hope you enjoyed looking at all the talent.

In addition, I had my picture taken at Dunelm as Summerlea was lucky enough to have won several gardening based prizes - the staff have been vying to use them in their year groups! I was surprised as anyone to be photographed - but it was due to multiple members of the school community that we won - so thank you!

Obviously, this week have seen our year 6s complete their SATs tests. Also, with my current class too, I have seen the massive effort that all the children have put in to these tests - which seem to get increasingly complex each year. A massive thank you to everyone involved, and well done to all our Year 6 children - we are very proud of you all.

Finally, next week I will be sending out a parent questionnaire where I would love to gather your views on the school. It is important to all of us at Summerlea that we try and work together as a team to move the school forward to be the best it can be. In addition to this, after half term (week beginning 12th June) I will make myself available for some parental drop-ins before and after school - so you can expand on these questionnaires if you wish.

Safeguarding at Summerlea

Do you have any worries or questions about your child's online activity?
Do you know how to best protect your child from online dangers?

We know that for most children the digital world and online activity is a huge part of their daily lives. As parents, it isn't always easy to know what to do to help children feel safe using their devices. PC Sibun deals first hand with families when things go wrong and can offer you advice and guidance on simple steps you as parents and carers can take to ensure you are fully aware of what dangers children can face.

PC Sibun will be available for you to drop in and chat after school on the 15th June.
We'll let you know where to find him in school nearer the time!

Art Exhibition

Here is a sample of some of the wonderful entries we received for the Coronation art competition!

Parking

This is a further polite reminder to respect our neighbours and the local community when parking. A number of residents are becoming increasingly frustrated by cars blocking them in. We would expect everyone to communicate politely and respectfully especially as there will be children present. We understand how frustrating it is and urge you to report parking concerns to the right team who have the powers to address them. Please see further information found here:

www.sussex.police.uk/advice/advice-and-information/asb/asb/antisocial-behaviour/nuisance-parking/

Peer Mentors

Last week some of our Year 5 pupils began their peer mentoring training with students from the Littlehampton Academy, 'Face 2 Face' team. Our peer mentors will be using their skills to support the mental health and wellbeing of others across the school.

Hot School Meals – Cut off dates

Please ensure to order meals for return to school after half term on Tuesday 6th June (this will be a jacket potato menu only) by 11:59 on Thursday 25th May *at the latest*, although you can order up to 10 weeks in advance. If you have not completed your order by this date, we cannot guarantee that Chartwells will provide a hot meal for your child. **This applies for all Free school meals, Universal free meals, and paid meals.**

Chartwells and the Bumblebee Conservation Trust (BBCT) partnership

Chartwells are launching a year-long bumblebee campaign, Bee Happy, starting with the theme 'Bee the Hero' for the summer term. 'Bee the Hero' promotes the importance of bumblebees. Chartwells are going to run a poster competition in support of World Bee Day on 20 May.

Chartwells would like pupils to inspire action to halt the decline of bumblebees by designing their own 'How can we Bee Helpful?' posters, sharing their ideas on how we can help bumblebees. There will be one winner in each school, who will receive a badge and a T-shirt. Chartwells will hand poster sheets to pupils from Monday 15 May, and a winner will be selected on Friday 19 May.

Have a lovely weekend.

Mr J Todd
Headteacher

Summerlea Superstars

Weeks Ending:

5th and 12th May

Star Pupils

Maple: Mason C & Alfie R **Elm:** Abigail H & Isla V
Willow: Arthur T & Marnie C **Beech:** Herbie B & Ella O
