'Growing thoughtful learners and independent thinkers'

Friday, 16 June 2023

Dear Parents and Carers,

What an amazing week we have had at school culminating in our careers fair which is going on as we speak. It has been wonderful to see all the volunteers/companies/industries and professionals who have given up their time for the children and I wanted to put on record a huge thank you to them all. Thank you also to Mrs Strong, who without her the event would not have run so successfully. I

This time next week (weather permitting) will be sports day and I am looking forward to welcoming many of you into the school to see the children have fun. We will be enabling good luck messages to be sent into the school and I will endeavour to read out as many as I can whilst being on the microphone. A huge amount of work has gone into making this day a special event - we hope you enjoy it.

Thank you to the parents who 'dropped in' and for their views on the school. It was great to hear so many positives and regards to the areas that were brought to my attention, some of them we are already underway in developing to improve the school further.

Finally, and I know it has been very hot, please could you make sure that your child comes in in the correct uniform. We have noticed some slight discrepancies - especially with socks - they should be plain (grey, black or white) with no logos ... and preferably matching!

Have a lovely weekend.

WSSC Library Summer Reading Challenge

Ready, Set, Read! encourages children to choose and read some amazing library books over the holiday. They also receive a fold out poster and the more they read the more scratch and sniff smelly stickers they collect. There are fun activities in the library too, including a Character Hunt with a chance of entering a prize draw. If they complete the challenge by Saturday 9 September, they are rewarded with a medal and certificate. They just need a library card to join in the fun.

It starts on **Saturday 8 July** so pop to your local library or take part online at summerreadingchallenge.org.uk

After School Care Club

Please note that there will no ASCC on the last day of term, Friday 21/07/23.

 - 30th August 9.30 -12.30

We look forward to seeing you!

NHS**PROTECT****YOUR CHILD****VACCINES GIVE THEM****THE POWER TO FIGHT****PREVENTABLE****CHILDHOOD DISEASES**

Ensuring your child has their vaccinations at the right time gives them the best protection, but it's not too late to catch up on any vaccinations they've missed.

Vaccines are one of the most effective ways to protect your child against a range of unpleasant and often serious childhood diseases.

If you are not sure whether your child has had all their vaccines for their age:

- look in your RED BOOK
- ask your Health Visitor
- contact your GP practice
