*'Growing thoughtful learners and independent thinkers'*

06<sup>th</sup> July 2023

Dear Parents / Carers,

**More Information about the Fiver in Five Challenge**

Here are some further details about the challenge. The School Pupil Council hope to generate plenty of interest about the project.

In School all children will begin to:

1. Think about the product or service they could start with £5.
2. Spend time conducting some market research and working out the maths (business plan)!
3. Plan their resources and work out what they need to do to put their plan in place.

Over the summer holidays children who wish to participate and have signed the contract will:

1. Spend their £5 and invest in setting up their enterprise idea.
2. Sell their product or service to friends and family.
3. Plan a small presentation to share in Y6 about their project and the profits (hopefully).

At the start of the autumn term in Y6 children:

1. Share their project challenges and successes with their year group.
2. Return their £5 plus any profit to school.
3. Help the school council decide on how their funding will be spent on improving playtimes.

Yours sincerely,

Mrs K Strong  
Deputy Headteacher
