'Growing thoughtful learners and independent thinkers'

Friday, 07 July 2023

Good afternoon!

It seems ages ago that I wrote in a newsletter, and that is because it has been such a busy two weeks at school! I can't believe it was only 10 days ago I was at Lodge Hill with the year 4 team. I wanted to put on record my thanks to all of the adults for making the experience so brilliant for the children. The children themselves were an absolute credit to you and the school - hopefully they all built memories to cherish. Also, the children who remained behind at school had a great few days at Out of Bounds and creating, crafting and cooking. Thank you to all involved, there is so much hard work that goes into all of these activities.

Also, cricket is back on the map at Summerlea! Mr Michica took a team of players for a very, very 'tough' day out at West Wittering Beach - where the team were crowned champions and then this Tuesday, the girls repeated the feat by winning at Arundel Castle. All the children involved represented our school with enthusiasm and skill.

I am sure that your children told you we had a helicopter landing at school on Tuesday too - it was incredibly dramatic and very exciting - the message behind all the drama though was all about being safe in the water - and with our school being so close to the beach, gave our children valuable safety tips about keeping themselves and others safe. Thank you to Mrs Viney for arranging this.

A big thank you to all the children who come off their various scooters and bikes at the gate and then remember to not ride them until they are off of school grounds. Please could you re-emphasise this message with your children to keep everyone safe in school at drop off and pick up time.

Next week sees the wonderful year 6s run three productions of Shrek to the parents - I know the children are incredibly excited about performing (if a little nervous) and I know it will be a fitting way to give everyone a great send off. I for one cannot wait to see it!

Finally, and it will be early next week, I will be writing to you regarding changes to our wrap around care at Summerlea. Exciting times! I just need to finalise the final pieces of the jigsaw and then I can release the information to you all. In addition, in my final newsletter, I will be talking through some more changes at Summerlea in September.

Have a lovely weekend all of you.

ParentPay

We are very pleased to let you know that we can now take payment for school trips and other items via ParentPay. Many of you have already used the system to book and pay for meals, but we will be sending out activation letters shortly via email to all primary contacts of pupils in Reception to Year 5 who do not already have an account activated. Please do take the time to set up your account ready for us to be able to take any payments by card in the new year.

Free School Meal Voucher scheme – Summer holidays

West Sussex County Council have confirmed that families with Free School Meal eligible children will be entitled to a £60.00 voucher per child during the upcoming holidays. These will be sent out by email, so please contact the office to let us know if you have not received this or if you would prefer a printed voucher.

Safeguarding

We know from talking with our children and families that there is an increasing need for emotional support. The SPoA (Single Point of Access) is a great place for parents and carers to seek some additional support for children. Please see the leaflet attached.

Road Safety

We recently added a reminder to Class Dojo about being safe outside of school. It is really important that adults and children remain on the pavements until the cones have been put out. Up until then, vehicles can access the driveway. We have had several near misses recently when people have been sitting on the kerb with their legs in the road.

Apps to Get Active

With better weather and with the summer break just around the corner it is a good opportunity to get outside. This can be difficult for parents whose children seem super-glued to their devices so Internet Matters have put together a useful advice page with a list of different apps for children of all ages to get them motivated. You can find the advice page [HERE](#).

Pre-School Visit

Rascals Pre-School visited last week for a Forest School session. They explored the area, completed some physical superhero training, made superhero shields, peeled and chopped healthy snacks, played games and listened to a story. We look forward to welcoming some of them to Summerlea in September.

After School Care Club

Please note that there will be no ASCC on the last day of term, Friday 21/07/23.

The beach is a great place to get active!

Grab your grown-ups and take a walk along the beach. Getting out in the fresh air makes everyone feel good, so why not make the most of all the beautiful outdoor spaces in our local area. Tick off the items on the scavenger hunt, but don't bring them home - ask your grown-up to take a photo instead! You can even tag @ArunWellbeing in a social media post.

Who is the service for?

SPoA accepts referrals for children and young people from the age of four up to a young person's 18th birthday. The young person must also be registered with a West Sussex GP, whilst recognising and working within NHS CHOICE regulations (please note. YES will accept referrals for young people who live in West Sussex or go to a West Sussex school).

All Autistic Spectrum Condition (ASC) and ADHD (neurodevelopmental) referrals need to continue via the current referral routes, unless there is a mental health or emotional wellbeing concern separate to this. Referrals for young people with eating disorders should be made directly to the Sussex Family Eating Disorder Service (SFEDS).

Single Point of Access

The West Sussex Single Point of Access (SPoA) is a dedicated service which provides a simplified single route to access specialist emotional wellbeing and mental health support.

The SPoA helps direct you to the right service at the right time, eliminating the need for you to refer to multiple services. Led by Sussex Partnership NHS Foundation Trust, the service is delivered in partnership with West Sussex County Council's Youth Emotional Support Service (YES) and YMCA Dialogue. e-wellbeing is the digital front door for West Sussex SPoA.

Who can refer to SPoA?

Anyone - children, young people, parents, carers, families, GPs and other professionals.

How does it work?

The SPoA consists of a team of clinical and administrative staff. All referrals received are triaged (processed) by SPoA within 72 hours.

Referrals that meet the criteria for SPoA will be directed to the most appropriate service to offer treatment and support. The service may offer advice, intervention work, a patient care plan, or a specialist assessment. In some cases, there may also be input from other services too, such as Healthy Child programme or Winston's Wish.

If your referral does not meet the criteria for SPoA, you will be signposted to other services for support, such as Early Help, Health Visitors and specialist services.

This process helps to ensure that the first appointment you have is with the right service.

Making a referral

Go to e-wellbeing.co.uk/support and complete the referral form, providing a clear description of the mental health need and the help or advice you are seeking.
